Textile artist and instructor Betty Fikes Pillsbury has won hundreds of awards for her homages to the elegance of Victorian crazy quilting. Grounded in traditional methods but crafted with elements of whimsy, each piece stands on its own as a work of art. In this definitive guide, Pillsbury shares her methods for piecing, embroidering, and embellishing. Her instructions equip readers at any level of quilting skill to use those techniques to express their own visions. Encouraging her readers to see functional and artistic possibilities beyond quilts (wall hangings, purses, and pillowcases are just some of the options), Pillsbury shows them how to make each work by hand, the slow cloth way. An inspiring primer for beginning and experienced quilters alike, this meticulously illustrated how-to book is far more expansive than previous guides. Pillsbury – a master of the form – shows us why crazy quilting belongs firmly in the twenty-first century.

The talented graphic designer and illustrator behind the popular blog and Etsy store LittleDearTracks offers 300 of her most popular designs in reusable iron-on patterns to stitch adorable embellishments like animals, flowers and letters on to fabrics and clothes. Original.

A USA TODAY Bestseller! A gift of warmth to heal two hearts... Sarah Smith in Pine Hill, Kentucky has had her heart broken in the past. She pours herself into her work at church and into special projects—like making a quilt for a wounded warrior. Bodie Lewis is lost. All he's ever wanted was his career as an Army Ranger, but he was injured in an explosion that killed his brothers in arms. In the hospital, he receives a handmade quilt. Later, he sets out on his final mission: to find and thank its maker. Bodie expected Sarah to be an elderly lady, not a lovely young woman. When she mistakes him for a handyman, he doesn't immediately set her straight. Instead, he sets about repairing the home she's turning into a bed and breakfast. Sarah's presence and the spirit of the small town bring Bodie something he thought he'd left far behind on the battlefield: hope. This heartwarming sweet romance includes a free quilt pattern from the Quilts of Valor Foundation and a new original Hallmark recipe for Cinnamon Swirl Bread.

Stuart Hillard is on a mission to help quilters all over the world realize their quilting dreams and prove "it ain't what you do, it's the way that you do it"—one simple shape at a time. In the follow-up title to the bestselling *Use Scraps, Sew Blocks, Make 100 Quilts*, Stuart shows you how the easiest of shapes can make extraordinary quilts. The book is divided into five main pattern chapters, each with 20 quilt designs: One-Patch Quilts—using a single shape or repeated block; Strips and Squares; Triangles; Curves; and Foundation Piecing—creating unique blocks from the easiest shapes using paper foundation piecing. Alongside the patterns and quilt designs, Stuart
