The Law Express series is designed to help you revise effectively. This book is your guide to understanding essential concepts, remembering and applying key legislation and making your answers stand out!

Owners and governing body members of Ambulatory Surgery Centers assume a significant responsibility in their role, until now there has been no easy-to-read resource to assist in understanding those responsibilities. This book, written by one of the leaders in the ASC Industry provides a succinct summary of the duties of the governing body and the regulations that affect the Medicare certification of the ASC. This book is an essential resource for every ASC and a supplement to The Survey Guide for ASCs - A Guide to the CMS Conditions of Coverage & Interpretive Guidelines for Ambulatory Surgery Centers - the nation's leading resource for maintaining Medicare certification for Ambulatory Surgery Centers.

This new edition of A Guide to Federal Terms and Acronyms presents a glossary of key definitions used by the Federal Government. It is updated to include new acronyms and terminology from various Federal Government departments.

If you're feeling overwhelmed by a sea of revision, let OUP's Questions and Answers series keep you afloat! Written by experienced examiners, the Q&As offer expert advice on what to expect from your exam, how best to prepare, and guidance on what examiners are really looking for. Revision isn't always plain sailing, but the Q&As will allow you to approach your exams with confidence. Q&As will help you succeed by: - identifying typical law exam questions - giving you model answers for up to 50 essay and problem-based questions - demonstrating how to structure a good answer - helping you to avoid common mistakes - advising you on how to make your answer stand out from the crowd - teaching you how to use your existing knowledge to convey exactly what the examiner is looking for - directing you to related further reading

This revision guide covers the key topics found on undergraduate courses. A number of pedagogical features help with the preparation for exams and suggest ways to improve marks.

Would you like to have a customer whose budget exceeds \$250 Billion a year for goods and services? You can have that customer. The United States Federal Government is the largest purchaser of goods and services in the world. Each year, the Government issues contracts totaling more than \$250 Billion for pencils, furniture, computer equipment, landscape services, janitorial services, security guard services, consultant services, etc., etc., etc. With The Beginner's Guide to Government Contracting, you now have the information you need to reach your personal and business goals of financial success. At last, Jeff Corbin tells you the secrets he has been using for the last fifteen years to help companies of all sizes win Federal Government Contracts. These companies range from a local clothes laundry to Fortune 500 Companies. He walks you through the proposal writing process and gives you examples of an Executive Summary, Organizational Charts, Cost Spreadsheets and much, much more.
