Duke University Press - Aesthetics and Marxism
Marxist aesthetics is a theory of aesthetics based on, or derived from, the theories of Karl Marx. It involves a dialectical and materialist, or dialectical materialist, approach to the application of Marxism to the cultural sphere, specifically areas related to taste such as art, beauty, and so forth. Marxists believe that economic and social conditions, and especially the class relations that derive from them, affect every aspect of an individual's life, from religious beliefs to legal ...
