Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Challenge your students to ENGAGE in the conversation and process; THINK about the ideas, history, structure, and function; and DEBATE the merits of American government and politics in the 21st century. In a storytelling approach that weaves contemporary examples together with historical context, *By the People: Debating American Government*, Brief Edition, explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People*, Brief Edition, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach. Approximately 20% shorter and less expensive than its parent text, the full-color Brief Edition features a more streamlined narrative, deletes the "Comparing Nations" boxes, and is enhanced by the same extensive support package as the longer edition. FEATURES: ENGAGE * "By the Numbers" boxes containing fun facts help frame the quizzical reality of American politics and government * "See For Yourself" features enable students to connect with the click of a smart phone to videos and other interactive online content THINK * Chapter One introduces students to seven key American ideas, which are revisited throughout the text * "The Bottom Line" summaries conclude each chapter section, underscoring the most important aspects of the discussion DEBATE * "What Do You Think?" boxes encourage students to use their critical-thinking skills and debate and/or take a stand on important issues * Four major themes, in the form of questions to spark debate, are presented to students in Chapter One and appear throughout the text ENSURING STUDENT SUCCESS We offer qualified adopters a comprehensive ancillary package: Dashboard Online homework made easy!
