ASE's Study Guides help you gauge your test readiness and focus your preparation. Each Guide — there's one for each test series — gives details on the individual tests, includes sample questions, and offers suggestions for further preparation. To get the best results, start with the "Test Specifications" Section for each test to see what's covered, the number of questions, and major content areas.

Study Guides - ASE

There's an ASE Study Guide for each test series: a detailed 'roadmap' of the individual tests, with sample questions and suggestions for further preparation. To download, just click on the name of the Study Guide (s) you need.
