Sophie Mercer thought she was a witch. That was the whole reason she was sent to Hex Hall, a reform school for delinquent Prodigium (aka witches, shapeshifters, and fairies). But that was before she discovered the family secret, and that her hot crush, Archer Cross, is an agent for The Eye, a group bent on wiping Prodigium off the face of the earth.

Fans of Rachel Hawkins' Hex Hall series will shriek with joy over this dark spin-off adventure full of humor, magic, and snark! Fifteen-year-old Izzy Brannick was trained to fight monsters. For centuries, her family has hunted magical creatures. But when Izzy's older sister vanishes without a trace while on a job, Izzy's mom decides they need to take a break. Izzy and her mom move to a new town, but they soon discover it's not as normal as it appears. A series of hauntings has been plaguing the local high school, and Izzy is determined to investigate. But assuming the guise of an average teenager is easier said than done. For a tough girl who's always been on her own, it's strange to suddenly make friends and maybe even have a crush. Can Izzy trust her new friends to help find the secret behind the hauntings before more people get hurt? Rachel Hawkins brings the same delightful wit and charm captured in her New York Times best-selling Hex Hall series. Get ready for more magic, mystery and romance!

Hailed as "impossible to put down," the Hex Hall series has both critics and teens cheering. With a winning combination of romance, action, magic and humor, this third volume will leave readers enchanted. Just as Sophie Mercer has come to accept her extraordinary magical powers as a demon, the Prodigium Council strips them away. Now Sophie is defenseless, alone, and at the mercy of her sworn enemies—the Brannicks, a family of warrior women who hunt down the Prodigium. Or at least that's what Sophie thinks, until she makes a surprising discovery. The Brannicks know an epic war is coming, and they believe Sophie is the only one powerful enough to stop the world from ending. But without her magic, Sophie isn't as confident. Sophie's bound for one hell of a ride—can she get her powers back before it's too late?
