Between Friends
Amos Oz Amos Oz was born in Jerusalem and lived in a kibbutz for 36 years. He is one of the most influential and well-regarded intellectuals in Israel. He is an advocate for a two-state solution to the IsraeliPalestinian conflict. Between Friends is a collection of eight interconnected short stories about life in a kibbutz in the 1950s.

Between Friends by *Amos Oz* — *Goodreads*
Between Friends is a brilliant collection of eight short stories by Amos Oz. Set in the generic "Kibbutz Yekhat" in Israel's zealous, scrappy early days, the stories are poignant vignettes that stand alone but also flow along the timeline of the kibbutz.

Amazon.com: Between Friends: Oz, Amos, Silverston, Sondra— In Between Friends, Amos Oz returns to the kibbutz of the late 1950s, the time and place where his writing began. These eight interconnected stories, set in the fictitious Kibbutz Yekhat, draw masterly profiles of idealistic men and women enduring personal hardships in the shadow of one of the greatest collective dreams of the twentieth century.

Amos Oz, Between Friends. 6 likes. Like " Closing your eyes to the cruelty of life is, in my opinion, both stupid and sinful. There's very little we can do about it. So we have to at least acknowledge it. " — Amos Oz, Between Friends. 3 likes.

Winner of the National Jewish Book Award: A " gorgeous, rueful collection of eight linked stories " capturing the collective dreams of Israel in the 1950s (Chicago Tribune). These eight interconnected stories, set in the fictitious Kibbutz Yekhat, draw masterful profiles of idealistic men and women enduring personal hardships in the shadow of one of the greatest collective dreams of the twentieth century. A devoted father who fails to challenge his daughter ' s lover, an old friend, a man his own age; an elderly gardener who carries on his shoulders the sorrows of the world; a woman writing perversely poignant letters to her husband ' s mistress. Each of these stories is a luminous human and literary study; together they offer an eloquent portrait of an idea, and of a charged and fascinating epoch. Award-winning writer Amos Oz, who spent three decades living on a kibbutz, is at home and at his best in this " lucid and heartbreaking " award-winning collection (The Guardian). " Oz lifts the veil on kibbutz existence without palaver. His pinpoint descriptions are pared to perfection. . . His people twitch with life. " —The Scotsman " A collection of stories . . . that boasts the sense, scope and unity of a novel . . . Breathtaking. " —Irish Examiner " A complex and melancholic vision of people struggling to transcend their individuality for the sake of mundanely idealist goals. " —The Times Literary Supplement

From the New York Times bestselling author of A Constellation of Vital Phenomena—dazzling, poignant, and lyrical interwoven stories about family, sacrifice, the legacy of war, and the redemptive power of art. This stunning, exquisitely written collection introduces a cast of remarkable characters whose lives intersect in ways both life-affirming and heartbreaking. A 1930s Soviet censor painstakingly corrects offending photographs, deep underneath Leningrad, bewitched by the image of a disgraced prima ballerina. A chorus of women recount their stories and those of their grandmothers, former gulag prisoners who settled their Siberian mining town. Two pairs of brothers share a fierce, protective love. Young men across the former USSR face violence at home and in the military. And great sacrifices are made in the name of an oil landscape unremarkable except for the almost incomprehensibly peaceful past it depicts. In stunning prose, with rich character portraits and a sense of history reverberating into the present, The Tsar of Love and Techno is a captivating work from one of our greatest new talents.

International Bestseller Winner of the International Literature Prize Finalist for the Man Booker International Prize
A New York Times Editors ' Choice " [A] magnificent novel . . . Oz pitches the book ' s heartbreak and humanism perfectly from first page to last. " — New York Times Book Review " Scintillating . . . An old-fashioned novel of ideas that is strikingly and compellingly modern. " —Observer
Jerusalem, 1959. Shmuel Ash, a biblical scholar, is adrift in his young life when he finds work as a caregiver for a brilliant but cantankerous old man named Gershom Wald. There is, however, a third, mysterious presence in his new home. Atalia Abravanel, the daughter of a deceased Zionist leader, a beautiful woman in her forties, entrances young Shmuel even as she keeps him at a distance. Piece by piece, the old Jerusalem stone house, haunted by tragic history and now home to the three misfits and their intricate relationship, reveals its secrets. At once an exquisite love story and a coming-of-age novel, an allegory for the state of Israel and for the biblical tale from which it draws its title, Judas is Amos Oz ' s most powerful novel in decades. " Oz has written one of the most triumphant novels of his career. " —Forward " A [big] beautiful novel . . . Funny, wise, and provoking. " —Times (UK)

A tale of " dazzling brilliance . . . a simple story which conveys boundless meanings; both modest and diverse, set in Jerusalem directly after WWII " (Historical Novel Society). When Souchmi, an eleven-year-old boy growing up in British-occupied Jerusalem just after World War II, receives a bicycle as a gift from his Uncle Zemach, he is overjoyed—even if it is a girl ' s bicycle. Ignoring the taunts of other boys in his neighborhood, he dreams of riding far away from them, out of the city and across the desert, toward the heart of Africa. But first he wants to show his new prize to his friend Aldo. In the tradition of such memorable characters as Huckleberry Finn and Holden Caulfield, Amos Oz ' s Souchmi is fresh, funny, and always engaging. " What a difference spirit and talent make! . . . told . . . with zest and buoyant humor, from the dual viewpoint of the alternately crushed and elated Souchmi and the amused author who delights in his boyhood excesses. " —Kirkus Reviews " Oz shows a remarkable ability to stay true to his character and expand him fully into a multi-faceted jewel. Souchmi is a concise read which enhances each person ' s view on life, possessions, and how tender life and far-reaching imagination can be at such a sensitive age. " —Historical Novel Society

Seven years after their divorce, Ilana breaks the bitter silence with a letter to Alex, a world-renowned authority on fanaticism, begging for help with their rebellious adolescent son, Boaz. One letter leads to another, and so evolves a correspondence between Ilana and Alex, Alex and Michel (Ilana's Moroccan husband), Alex and his Mephistophelian Jerusalem lawyer—a correspondence between mother and father, stepfather and stepson, father and son, each pleading his or her own case. The grasping, lyrical, manipulative, loving Ilana has stirred things up. Now, her former husband and her present husband have become rivals not only for her loyalty but for her son's as well.

Set in the fictitious Kibbutz Yikhat, eight interconnected stories brilliantly portray men and women who endure personal hardships in the shadow of one of the greatest collective dreams of the 20th century. 25,000 first printing.

The first book from the acclaimed, award-winning author of A Tale of Love and Darkness and the New York Times Notable Book, Scenes from Village Life. The Washington Post praised Israeli author Amos Oz as " one of our essential writers, laying out for our observation, in ever-increasing breadth and profundity, the mad landscape of our time and his place. " Here, in his first book, is a disturbing and moving collection of short stories about kibbutz life. Each of the eight stories in this volume grips the reader from the first line. Each conveys the tension and intensity of feeling in the founding period of Israel, a brand-new state with an age-old history. Some are love stories, more are hate stories, and frequently the two urges intertwine. " A strong, beautiful, disturbing book. It speaks piercingly—whether wittingly or unwittingly, I know not—of a dimension of the Israeli experience not often discussed, of the specter of the other brother, of a haunting, unhealed wound; it reminds us of polarizations everywhere that bind and diminish us, that may yet rend us. " —The New York Times " As you read, you feel yourself, in all these stories, sinking deeper into the loam of Oz ' s sensibility, a paradoxical mix of sensuality and disdain. A good collection by an important international writer. " —Kirkus Reviews

From " a great and true voice of our time " (Washington Post Book World), comes this story of Proffy, a twelve-year-old living in Palestine in 1947. When Proffy befriends a member of the occupying British forces who shares his love of language and the Bible, he is accused of treason by his friends and learns the true nature of loyalty and betrayal. Translated by Nicholas de Lange.

A snapshot of Israel and the West Bank in the 1980s, through the voices of its inhabitants, from the National Jewish Book Award – winning author of Judas. Notebook in hand, renowned author and onetime kibbutznik Amos Oz traveled throughout his homeland to talk with people—workers, soldiers, religious zealots, aging pioneers, desperate Arabs, visionaries—asking them questions about Israel ' s past, present, and future. Observant or secular, rich or poor, native-born or new immigrant, they shared their points of view, memories, hopes, and fears, and Oz recorded them. What emerges is a distinctive portrait of a changing nation and a complex society, supplemented by Oz ' s own observations and reflections, that reflects an insider ' s view of a country still forming its own identity. In the Land of Israel is " an exemplary instance of a writer using his craft to come to grips with what is happening politically and to illuminate certain aspects of Israeli society that have generally been concealed by polemical formulas " (The New York Times).

Linked short stories set in a town in the midst of change: " One of the most powerful books you will read about present-day Israel. " —The Jewish Chronicle " " Scenes from Village Life " is like a symphony, its movements more impressive together than in isolation. There is, in each story, a particular chord or strain; but taken together, these chords rise and reverberate, evoking an unease so strong it ' s almost a taste in the mouth . . . " Scenes from Village Life " is a brief collection, but its brevity is a testament to its force. You will not soon forget it. " —The New York Times Book Review Strange things are happening in Tel Ilan, a century-old pioneer village. A disgruntled retired politician complains to his daughter that he hears the sounds of digging at night. Could it be their tenant, that young Arab? But then the young Arab hears the digging sounds too. And where has the mayor ' s wife gone, vanished without a trace, her note saying " Don ' t worry about me " ? Around the village, the veneer of new wealth—gourmet restaurants, art galleries, a winery—barely conceals the scars of war and of past generations: disused air-raid shelters, rusting farm tools, and trucks left wherever they stopped. Scenes From Village Life is a memorable novel in stories by the inimitable Amos Oz: a brilliant, unsettling glimpse of what goes on beneath the surface of everyday life. Translated from Hebrew by Nicholas de Lange " Finely wrought. . . Oz writes characterizations that are subtle but surgically precise, rendering this work a powerfully understated treatment of an uneasy Israeli conscience. " —Publishers Weekly, starred review " Informed by everything, weighed down by nothing, this is an exquisite work of art. " —The Scotsman
