Bose Cinemate Series II Home Theater System. The Bose Cinemate II Home Theater system is a complete system consisting of two powered speakers and a central controlling base unit. Although the system can not be expanded by adding more speakers, it really isn't needed.

Bose CineMate Series II Digital Home Theater Speaker ...

The CineMate GS Series II system's dramatic sound is largely due to Bose proprietary TrueSpace surround digital processing circuitry and digital acoustic performance. You'll experience deeper low notes and more immersive sound that puts you in the middle of the action--all without rear or center speakers.
