You will find every important formula you used or going to use during your entire civil engineering degree. Here is the list of civil engineering handbooks with PDF link.

Civil Engineering Handbooks PDF | Edu Informer

January 26, 2016. This book titled "Civil Engineering Handbook by P.N. Khanna" has been compiled primarily for the "Practical man" and should prove a most useful work of reference to the young engineers of various public works departments. The object of this volume is to give a fairly complete but concise account of the various subjects to serve as a ready reference for everyday-work problems which constantly con-front the engineers.
