To-do: Stop the bad guys. Rescue the wizard. Find the perfect outfit for New Year ' s Eve. At last, Owen Palmer, the dreamboat wizard at Magic, Spells, and Illusions, Inc., has conjured up the courage to get Katie Chandler under the mistletoe at the office holiday party. But just when it looks like Katie has found her prince, in pops her inept fairy godmother, Ethelinda, to throw a wand into the works. Ethelinda ' s timing couldn ' t be worse. A plot hatched by MSI ' s rogue ex-employees, Idris and his evil fairy gal pal Ari, threatens to expose the company ' s secrets – and the very existence of magic itself. Even worse, it could also mean the end of Katie ' s happily-ever-after. Now Katie and Owen must work side by side (but alas, not cheek to cheek) to thwart the villains ' plans. Braving black-magic-wielding sorceresses, subway-dwelling dragons, lovelorn frog princes, and even the dreaded trip to meet Owen ' s parents at Christmas, Katie and her beau are in a battle to beat Idris at his own sinister game. All mischief and matters of the heart will come to a head at a big New Year ' s Eve gala, when the crystal ball will drop, champagne will pour, and Katie will find herself truly spellbound. Praise for Shanna Swendson ' s *Once Upon Stilettoes* " Magical and totally delightful . . . [a] quirky, lighthearted romance. " –freshfiction.com " A fast and funny read. Chicklit meets urban fantasy. " –Mary Jo Putney, author of *The Marriage Spell*

" A totally captivating, hilarious, and clever look on the magical kingdom of Manhattan, where kissing frogs has never been this fun. " —Melissa de la Cruz, author of *The Au Pairs* Katie Chandler had always heard that New York is a weird and wonderful place, but this small-town Texas gal had no idea how weird until she moved there. Everywhere she goes, she sees something worth gawking at and Katie is afraid she ' s a little too normal to make a splash in the big city. Working for an ogre of a boss doesn ' t help. Then, seemingly out of the blue, Katie gets a job offer from Magic, Spells, and Illusions, Inc., a company that tricks of the trade to the magic community. For MSI, Katie ' s ordinariness is an asset. Lacking any bit of magic, she can easily spot a fake spell, catch hidden clauses in competitor ' s contracts, and detect magically disguised intruders. Suddenly, average Katie is very special indeed. She quickly learns that office politics are even more complicated when your new boss is a real ogre, and you have a crush on the sexy, shy, ultra powerful head of the R&D department, who is so busy fighting an evil competitor threatening to sell black magic on the street that he seems barely to notice Katie. Now it ' s up to Katie to pull off the impossible: save the world and – hopefully – live happily ever after.

When Katie moves to New York City, she finds her life becoming very strange as a series of odd things involving unusual people and creatures begin to happen around her.

God rest ye magic gentlemen ...It's Christmastime in New York, and everything should be perfect for Katie Chandler. She's finally had a kiss under the mistletoe with gorgeous wizard Owen Palmer and she's got her dream job at a magical corporation. It seems a very unlikely time for a fairy godmother to show up and complicate her love and life.It doesn't help that Owen is working day and night and Katie herself is at her wit's end trying to find ways to counter the enemy's sinister magical marketing campaign. Can Katie and Owen save the day and their fledgling relationship from the forces of darkness and the world's worst fairy godmother?

Everything ' s bigger in Texas—including romance, magic, and danger! Katie Chandler has fled fast-paced Manhattan and returned home to a simpler life, working at her family ' s feed-and-seed store in Cobb, Texas. In a painfully selfless gesture, Katie had left the sexy wizard Owen Palmer to battle his demons in the magical realm – after all, Katie just seemed to attract evil, which only made Owen ' s job a lot harder. But now it seems that trouble has followed her home: Despite the fact that Merlin, Katie ' s old boss at Magic, Spells, and Illusions, Inc., has assured her that Cobb is free of enchantmen, (magically speaking), Katie begins to notice curious phenomena. Cobb is being plagued by a series of inexplicable petty crimes and other devilish mischief, and after her experiences in Manhattan, Katie knows " unauthorized magic " when she sees it. As this new darkness strikes deep in the heart of Texas, Owen appears (literally) to investigate. Now Katie ' s friends and family must show the bad guys why it ' s bad luck to hex with Texas, while Katie and Owen combine their strengths like never before to uncover a sinister plot before evil takes root in the Lone Star State.

Click your heels three times and say, " There ' s no place like Bloomies! " Katie Chandler ' s life is pure magic – literally. As an executive assistant at Magic, Spells, and Illusions, Inc., she ' s seen more than her share of fantastical occurrences. A mere Manhattan mortal, Katie is no wizard, but she ' s a wiz at exposing " hokum " pocus, cloaked lies, and deceptive enchantments. And she ' s fallen under the all-too-human spell of attraction to Owen, a hunky wizard and coworker. Owen, however, is preoccupied. Someone has broken into his office and disrupted top-secret files, and it reeks of an inside job. CEO Merlin (yes,

the Merlin) and taps Katie and her special ability to uncover the magical mole. Keeping her feelings in check while sleuthing alongside Owen, Katie is shocked to discover that her immunity to magic is waning, putting her in grave danger. Soon she 's surrendering to the charms and enchantments of everyone and everything around her, including a killer pair of red stilettos. Katie must now conjure up her natural instincts to get to the bottom of the break-in, regain her power, and win the wizard of her dreams.

Wedding Bells or Magic Spells?Katie Chandler's wedding day is coming soon, and she and Owen Palmer have a lot to do to make sure the event is magical. That makes this a very bad time for rumors about magic to be hitting the general public, even the television news.The secret about magic has been safe for centuries, but can it survive an era of cell phone cameras and the Internet? As Katie delves deeper into an online anti-magic underground movement, she starts to suspect that there's something more going on. Someone in the magical world is trying to expose magic to ordinary people. The fallout for the magical world could be devastating, and without the restrictions to keep magic out of the public eye, unscrupulous wizards might run amok. Worst of all, the culprit is trying to pin it all on Owen, who makes a handy scapegoat.Katie's got to track down and stop the plot-and fast. Otherwise, society will be forever altered, and Katie's wedding may be missing a groom.

Book 5 in the Enchanted, Inc. Series To Do: Manage Magical Mayhem, Save the Company, Save the World Katie Chandler is back in New York and at Magic, Spells, and Illusions, Inc. - and just in time. The city's in the grip of a magical crime wave from spells that wizarding whiz Owen Palmer thinks look awfully familiar, and the rogue firm Spellworks is raising its profile in the magical world by selling protective amulets. It's Katie's job as the new director of marketing for MSI to fight this battle of public perception while Owen and the other wizards try to uncover what's really going on. What Katie doesn't realize is that her idea to stage a showcase for MSI's magical achievements is playing right into a devious plot more than three decades in the making. Now Katie has to do damage control that has nothing to do with marketing. To save the magical world, she'll have to prove who the real enemy is, and doing that will require digging deeper into Owen's mysterious past than he wants anyone to go. If she fails, she not only stands to lose a magical war, but she could also lose the man she loves. "Fresh, charming, and addictively readable, MUCH ADO ABOUT MAGIC is just what I was waiting for!" -Rachel Aaron, author of The Legend of Eli Monpress

Book 7 in the Enchanted, Inc. Series With great power comes great danger... When a freak accident leaves Katie Chandler with magical powers, it seems like a wish come true for the former magical immune. But it also means she's vulnerable to magic, just when the dangerous Elf Lord is cooking up another scheme in his bid for power. Anyone who gets in his way disappears-including Katie and her wizard boyfriend, Owen Palmer. Now Katie's under a spell that obscures her true identity, living a life right out of a romantic comedy movie in a Hollywood set version of New York. Will she be able to find her true Mr. Right in time to break the spell with a kiss and warn everyone, or will she be trapped forever, unaware of the doom facing her world?

In 1888 New York City, sixteen-year-old governess Verity Newton agrees to become a spy, whatever the risk, after learning that the man for whom she has feelings sympathizes with rebels developing non-magical sources of power, via steam engines, in hopes of gaining freedom from British rule.
