~~The Charters of King David I: The Written Acts of David I ...~~

Directed by David Michôd. With Tom Glynn-Carney, Gábor Czap, Tom Fisher, Edward Ashley. Hal, wayward prince and heir to the English throne, is crowned King Henry V after his tyrannical father dies. Now the young king must navigate palace politics, the war his father left behind, and the emotional strings of his past life.

Few kings deserve more than David I the reputation as 'maker' of his kingdom. Although overshadowed in popular memory by his descendant, the later 'saviour' of Scotland, Robert Bruce, it was David who laid the foundations of the medieval Scottish monarchy and set in train the changes that created the kingdom that vied with England for mastery of the British Isles. In a reign spanning nearly three decades, David moved his kingdom from the periphery towards the heart of European civilisation.

David, King of the Jews, possessed every flaw and failing a mortal is capable of, yet men and women adored him and God showered him with many more blessings than he did Abraham or Moses. His sexual appetite and prowess were matched only by his violence, both on the battlefield and in the bedroom. A

charismatic leader, exalted as "a man after God's own heart," he was also capable of deep cunning, deceit, and betrayal. Now, in *King David: The Real Life of the Man Who Ruled Israel*, bestselling author Jonathan Kirsch reveals this commanding individual in all his glory and fallibility. In a taut, dramatic narrative, Kirsch brings new depth and psychological complexity to the familiar events of David's life--his slaying of the giant Goliath and his swift challenge to the weak rule of Saul, the first Jewish king; his tragic relationship with Saul's son Jonathan, David's cherished friend (and possibly lover); his celebrated reign in Jerusalem, where his dynasty would hold sway for generations. Yet for all his greatness, David was also a man in thrall to his passions--a voracious lover who secured the favors of his beautiful mistress Bathsheba by secretly arranging the death of her innocent husband; a merciless warrior who triumphed through cruelty; a troubled father who failed to protect his daughter from rape and whose beloved son Absalom rose against him in armed insurrection. Weaving together biblical texts with centuries of interpretation and commentary, Jonathan Kirsch brings King David to life in these pages with extraordinary freshness, intimacy, and vividness of detail. At the center of this inspiring narrative stands a hero of flesh and blood--not the cartoon giant-slayer of sermons and Sunday school stories or the immaculate ruler of

legend and art but a magnetic, disturbingly familiar man--a man as vibrant and compelling today as he has been for millennia.

The first biography of David from a purely historical perspective reveals not a hero but a holy terrorist and a ruthless despot. Carefully researched and vividly written, this book provides a provocative reappraisal of the life of one of the Bible's most compelling figures. 7 halftones. Maps.

In this retelling of one of the great Biblical stories, King Solomon commissions Ethan the Scribe to write the official history of King David. But Ethan finds another life behind the curtain that divides the past from the present--the story of a David who seduced, lied, bragged, and plundered his way to power. Ethan faces a dilemma. Which life should he write about?

David's Politics evaluates what we can learn about politics by studying David's life as presented in the Books of Samuel and the first two chapters of 1 Kings. This book follows his life as a servant to King Saul, a rebel against Saul, and as king, and shows that he has considerable political skill in all three stages.

Exploring an unjustly overlooked figure in

20th-century British visual culture This book offers a comprehensive overview to the work and legacy of David King (1943–2016), whose fascinating career bridged journalism, graphic design, photography, and collecting. King launched his career at Britain's Sunday Times Magazine in the 1960s, starting as a designer and later branching out into image-led journalism. He developed a particular interest in revolutionary Russia and began amassing a collection of graphic art and photographs--ultimately accumulating around 250,000 images that he shared with news outlets. Throughout his life, King blended political activism with his graphic design work, creating anti-Apartheid and anti-Nazi posters, covers for books on Communist history, album artwork for The Who and Jimi Hendrix, catalogues on Russian art and society for the Museum of Modern Art in Oxford, and typographic covers for the left-wing magazine City Limits. This well-researched and finely illustrated publication ties together King's accomplishments as a visual historian, artist, journalist, and activist.

The human experience is an intimate, tough, and, at times, hilarious conversation with what is familiar and what is mystery. Poetry at its best turns this conversation into art and teaches by example how to employ language creatively and courageously--even coyly--in exploring the full range of human response to

whatever life may deliver. Certainly the biblical Psalms set the highest of standards in this regard. In *Opening King David*, Davis takes aim at making contemporary poems in conversation with the Psalms; his personal, cultural, and natural surroundings; and the wonder and mess of his own soul. As a painter with all colors at his disposal, Davis writes with the full spectrum of his available vocabulary, sometimes reaching for the glorious ineffable, at other times bluntly telling it like it--darkly--is. Neither devotional nor inspirational nor religious, these human poems take God seriously and honor our common struggle toward what Saint Paul calls "the measure of the stature of the fullness of Christ."

The life of King David has captivated people throughout history. He's the epitome of rags to riches, the sprightly underdog, a simple man in extraordinary circumstances. Then there's the dark side of David - his awful affair with a married woman and the subsequent murder of her husband. But no one ever takes it too hard on David. It's probably because he's not much different than us. We see ourselves in him. This is a literary dynamic journey of David's life, from his early days as an unknown nobody to overnight celebrity, and his latter days as a champion of the people to a royal sinner. Each chapter is wrapped in theology, philosophy, application, and the genre thrill

of narrative. It's David's life as you've never heard it before. We'll find not only the depth of our own vices and value, but the God who is at the center of this drama, beckoning us home to be the people we were meant to be. It's David's story. It is our story.

God took David from the fields where he followed the sheep to become the ruler of Israel. He was overlooked by his father, yet chosen by God. He carried the dream to be king from the day Samuel anointed him, but he did not feel worthy to marry the king's daughter after defeating Goliath. David experienced many amazing moments in his life, yet he also endured many traumas. He was the hero of Israel and then became the hunted villain. He went from leading the armies of Israel to being pursued by the same. When David was anointed king in Judah, civil war erupted. Each step that God was establishing David's identity, the enemy was trying to steal it. Defeating Goliath required faith, but taking the throne required identity. It takes a Goliath to reveal a David, and his journey to produce a king. Faith believes what God can do. Identity believes what God can do through you. Let David's journey touch yours. "Dale has done a masterful job presenting life-transforming truths. His revelation concerning identity as the key to progressively advancing is enlightening and enabling. This book added new insights and
