your story, move your plot forward, and keep your readers turning pages.

Expert thriller author and writing instructor James Scott Bell shows you how to craft scenes, create characters, and develop storylines that harness conflict and suspense to carry your story from the first word to the last.

Learn from examples of successful novels and movies as you transform your work from ho-hum to high-tension.

- Pack the beginning, middle, and end of your book with the right amount of conflict.
- Tap into the suspenseful power of each character's inner conflict.

Electrotechnology N3 Exam

Papers

- Build conflict into your story's point of view.
- Balance subplots, flashbacks, and backstory to keep your story moving forward.
- Maximize the tension in your characters' dialogue.
- Amp up the suspense when you revise.

Conflict & Suspense offers proven techniques that help you craft fiction your readers won't be able to put down.

Fed up with diets you can't stick to? Forget them. Now's the time to change your mindset and finally take control of your health and

happiness. Have you tried diet after diet, only to find yourself demoralized and sinking back into bad habits? Do diets leave you feeling guilty? Ashamed? Unhappy? You're not alone. 40% of us have tried a fad diet in a desperate bid to lose weight, but they simply don't work. Dieting feeds an unhealthy relationship with food. Focused purely on looks, it harms your body and your mind and forgets health altogether. Imagine there was a different way: a way of eating that made you feel good, boosted your health, and improved your body image without the feelings of guilt and

Failure. Well, guess what? There is! It's called intuitive eating, and your body already knows how to do it. You just need to learn what your body already knows. Intuitive eating gives your mind and body everything they need to be healthy. Weight loss is just an added bonus. There are no rules with this lifestyle: you tailor it to suit you. By listening to your body and practicing intuitive eating, you can reduce stress, improve your body image, increase your overall well-being, and learn to enjoy food again. Sound too good to be true? Here's what you're going to learn with

Lifetime of diets, caught in a battle for your dream body, stop. Be kind to yourself. Intuitive eating has been proven effective by registered dietitians and nutritionists: they know dieting doesn't work. Your body knows dieting doesn't work. Now it's time for you to catch up. Hundreds of people changed their life with the power of intuitive eating, and they practice it so naturally, they're barely even conscious of it. Imagine that freedom! That could be you. You won't find this information anywhere else! If you want to love your body and change your relationship with food

Dieting is over. Change is coming.

This book interweaves the concepts of the guidance on globalization, international management, and the intricacies of international business that many books on the market treat independently. It clarifies and explains culture, cultural misunderstandings, and cross-cultural interactions. Adekola and Sergi's text is unique in that it offers both the management perspective and

the cultural perspective. It is for managers seeking to thrive in the global economy. This book focuses on managing global organizations, providing a basis for understanding the influence of culture on international management, and the key roles that international managers play. It clearly shows how to develop the cross-cultural expertise essential to succeed in a world of rapid and profound economic, political and cultural changes.
