## GEOMETRICAL & MECHANICAL DRAWING

Geometric and Engineering Drawing It should be obvious that the line 5 – 5 is half the length of AB. Similarly, the line 1 – 1 is 101 the length of AB and line 7 – 7 is 107 the length of AB. (If you wish to prove this mathematically use similar triangles.)

Geometric Dimensioning and Tolerancing  
is a system for defining and  
communicating engineering tolerances. It

# Read Book Geometrical And Mechanical

Engineering Drawing uses a symbolic language on engineering drawings and computer-generated three-dimensional solid models that explicitly describe nominal geometry and its allowable variation. It tells the manufacturing staff and machines what degree of accuracy and precision is needed on each controlled feature of the part.
