In God in the Wasteland Wells continues his trenchant analysis of the cultural corruption now weakening the church's thought and witness with the intent of getting evangelicals to rethink their relationship to the "world". Wells argues that the church is enfeebled in part because it has lost its sense of God's sovereignty and holiness.

This has led to a situation in which God has become inconsequential – not only in the culture but in the church as well. As Wells explained in the sequel, God in the Wasteland, “ The fundamental problem in the evangelical world today is that God rests too inconsequentially upon the church. His truth is too distant, his grace is too ordinary, his judgment is too benign, his gospel is too easy, and his Christ is too common. ” (p. 30).
