Imagine walking to the same place every day, to meet your best friend. Imagine watching hundreds of people pass by every morning and every afternoon. Imagine waiting, and waiting, and waiting. For ten years. This is what Hachiko did. Hachiko was a real dog who lived in Tokyo, a dog who faithfully waited for his owner at the Shibuya train station long after his owner could not come to meet him. He became famous for his loyalty and was adored by scores of people who passed through the station every day. This is Hachiko's story through the eyes of Kentaro, a young boy whose life is changed forever by his friendship with this very special dog. Simply told, and illustrated with Yan Nascimbene’s lush watercolors, the legend of Hachiko will touch your heart and inspire you as it has inspired thousands all over the world.

Guided by a tattered map, accompanied by Thomas the Pig Boy, and inspired by the storyteller's blood that thrums through her veins, eleven-year-old Trinket searches for the seven stories she needs to become a bard like her father, who disappeared years before. She befriends a fortune-telling gypsy girl; returns a child stolen by the selkies to his true mother; confronts a banshee and receives a message from a ghost; helps a village girl outwit—and out-dance—the Faerie Queen; travels beyond the grave to battle a dastardly undead Highwayman; and meets a hound so loyal he fights a wolf to the death to protect the baby prince left in his charge. All fine material for six tales, but it is the seventh tale, in which Trinket learns her father's true fate, that changes her life forever. The Seven Tales of Trinket is a Kirkus Reviews Best Children's Book of 2012
