Writing in the diary which her father gave her, thirteen-year-old Yara describes life with her family in Havana, Cuba, in 1967 as well as her experiences in Miami, Florida, after immigrating there to be reunited with some relatives while leaving others behind.

One of Summer's Most Anticipated Reads, according to Goodreads, SheReads, and Bookish "I think Beatriz Williams is writing the best historical fiction out there. It's lush with period detail but feels immediate."—Elin Hilderbrand The beloved author returns with a remarkable novel of both raw suspense and lyric beauty—the story of a lost pilot and a wartime photographer that will leave its mark on your soul. In 1947, photographer and war correspondent Janey Everett arrives at a remote surfing village on the Hawaiian island of Kauai to research a planned biography of forgotten aviation pioneer Sam Mallory, who joined the loyalist forces in the Spanish Civil War and never returned. Obsessed with Sam's fate, Janey has tracked down Irene Lindquist, the owner of a local island-hopping airline, whom she believes might actually be the legendary Irene Foster, Mallory's onetime student and flying partner. Foster's disappearance during a round-the-world flight in 1937 remains one of the world's greatest unsolved mysteries. At first, the flinty Mrs. Lindquist denies any connection to Foster. But Janey informs her that the wreck of Sam Mallory's airplane has recently been discovered in a Spanish desert, and piece by piece, the details of Foster's extraordinary life emerge: from the beginnings of her flying career in Southern California, to her complicated, passionate relationship with Mallory, to the collapse of her marriage to her aggressive career manager, the publishing scion George Morrow. As Irene spins her tale to its searing conclusion, Janey's past gathers its own power. The duel between the two women takes a heartstopping turn. To whom does Mallory rightfully belong? Can we ever come to terms with the loss of those we love, and the lives we might have lived?

A USA TODAY BESTSELLER & PUBLISHERS WEEKLY BESTSELLER A WOMAN'S WORLD BEST NEW BOOK "I read well into the night, unable to stop. The book is unputdownable."—Debbie Macomber, #1 New York Times bestselling author "Heart-breaking, validating, exciting"—Hyabelle "Rich historical detail... this saga has it all."—Woman's World Shining a light on a little-known piece of history The Flight Girls is a sweeping portrayal of women's fearlessness, love, and the power of friendship to make us soar. 1941. Audrey Coltrane has always wanted to fly. It's why she implored her father to teach her at the little airfield back home in Texas. It's why she signed up to train military pilots in Hawaii when the war in Europe began. And it's why she insists she is not interested in any dream-derailing romantic involvements, even with the disarming Lieutenant James Hart, who fast becomes a friend as treasured as the women she flies with. Then one fateful day, she gets caught in the air over Pearl Harbor just as the bombs begin to fall, and suddenly, nowhere feels safe. To make everything she's lost count for something, Audrey joins the Women Airforce Service Pilots program. The bonds she forms with her fellow pilots reignite a spark of hope in the face war, and—when James goes missing in action—give Audrey the strength to cross the front lines and fight not only for her country, but for the love she holds so dear. "Captivated me from the first page and never let go... a powerful tale of courage and sacrifice by the Women Airforce Service Pilots during WWII. A spectacular first novel."—Sara Ackerman, USA TODAY bestselling author of The Lieutenant's Nurse

The instant New York Times and USA Today bestseller! "The Last Flight is thoroughly absorbing—not only because of its tantalizing plot and deft pacing, but also because of its unexpected poignancy and its satisfying, if bittersweet, resolution. The characters get under your skin."—The New York Times Book Review Two women. Two flights. One last chance to disappear. Claire Cook has a perfect life. Married to the scion of a political dynasty, with a Manhattan townhouse and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, nothing is quite as it seems. That perfect husband has a temper that burns as bright as his promising political career, and he's not above using his staff to track Claire's every move, making sure she's living up to his impossible standards. But what he doesn't know is that Claire has worked for months on a plan to vanish. A chance meeting in an airport bar brings her together with a woman whose circumstances seem equally dire. Together they make a last-minute decision to switch tickets—Claire taking Eva's flight to Oakland, and Eva traveling to Puerto Rico as Claire. They believe the swap will give each of them the head start they need to begin again somewhere far away. But when the flight to Puerto Rico goes down, Claire realizes it's no longer a head start but a new life. Cut off, out of options, with the news of her death about to explode in the media, Claire will assume Eva's identity, and along with it, the secrets Eva fought so hard to keep hidden. For fans of Lisa Jewell and Liv Constantine, The Last Flight is the story of two women—both alone, both scared—and one agonizing decision that will change the trajectory of both of their lives.

Ender's Shadow explores the stars in this all-new novel... At the end of Shadow of the Giant, Bean flees to the stars with three of his children—the three who share the engineered genes that gave him both hyper-intelligence and a short, cruel physical life. The time dilation granted by the speed of their travel gives Earth's scientists generations to seek a cure, to no avail. In time, they are forgotten—a fading ansible signal speaking of events lost to Earth's history. But the Delphics are about to make a discovery that will let them save themselves, and perhaps all of humanity in days to come. For there in space before them lies a derelict Formic colony ship. Aboard it, they will find both death and wonders—the life support that is failing on their own ship, room to grow, and labs in which to explore their own genetic anomaly and the mysterious disease that killed the ship's colony. Shadows in Flight is the fifth novel in Orson Scott Card's Shadow Series. THE ENDER UNIVERSE Ender series Ender's Game / Speaker for the Dead / Xenocide / Children of the Mind / Ender in Exile / Children of the Fleet Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm / The Hive Ender novellas A War of Gifts / First Meetings At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Writing in the diary which her father gave her, thirteen-year-old Yara describes life with her family in Havana, Cuba, in 1967 as well as her experiences in Miami, Florida, after immigrating there to be reunited with some relatives while leaving others behind. The "story of a woman coming home to the family she left behind—and to the woman she always wanted to be... Georgia Chambers has spent her life sifting through other people's pasts while trying to forget her own. But then her work as an expert on fine china—especially Limoges—requires her to return to the one place she swore she'd never revisit... It has been thirteen years since Georgia left her family home on the coast of Florida..."--

"The universe is conspiring against Ava Breevort. When a last-ditch attempt to salvage her trip back home is thwarted by an arrogant Scotsman, their antagonism somehow lands them in bed for the steamiest layover Ava's ever had. And that's all it is—until Caleb Scott basically shows up on her doorstep. When pure chance pulls Ava back into Caleb's orbit, he proposes they enjoy their physical connection while he's stranded in Boston. Ava agrees, knowing her heart's in no danger since a) she barely likes Caleb and b) his existence in her life is temporary. But it turns out Caleb Scott isn't quite so unlikeable after all. When his stay in Boston becomes permanent, Ava must decide whether to fight her feelings for him or give into them. But even if she does decide to risk her heart on Caleb, there is no guarantee her stubborn Scot will want to risk his heart on her!"--

A NEW YORK TIMES BESTSELLER A WALL STREET JOURNAL BESTSELLER A USA TODAY BESTSELLER A NATIONAL INDIEBOUND BESTSELLER From the author of The Guest Room, a powerful story about the ways an entire life can change in one night: A flight attendant wakes up in the wrong hotel, in the wrong bed, with a dead man - and no idea what happened. Cassandra Bowden is no stranger to hungover mornings. She's a binge drinker, her job with the airline making it easy to find adventure, and the occasional blackouts seem to be inevitable. She lives with them, and the accompanying self-loathing. When she awakes in a Dubai hotel room, she tries to piece the previous night back together, counting the minutes until she has to catch her crew shuttle to the airport. She quietly slides out of bed, careful not to aggravate her already pounding head, and looks at the man she spent the night with. She sees his dark hair. His utter stillness. And blood, a slick, still wet pool on the crisp white sheets. Afraid to call the police - she's a single woman alone in a hotel room far from home - Cassie begins to lie. She lies as she joins the other flight attendants and pilots in the van. She lies on the way to Paris as she works the first class cabin. She lies to the FBI agents in New York who meet her at the gate. Soon it's too late to come clean-or face the truth about what really happened back in Dubai. Could she have killed him? If not, who did? Set amid the captivating world of those whose lives unfold at forty thousand feet, The Flight Attendant unveils a spellbinding story of memory, of the giddy pleasures of alcohol and the devastating consequences of addiction, and of murder far from home.

From the master storyteller, Ken Follett, Hornet Flight is a startling thriller set amidst the Danish Resistance. Europe in Darkness 1941. The Nazis have Denmark in their vice-like grip, their malign presence corroding everything its inhabitants hold dear. Even the police betray their countrymen and work with the Gestapo to hunt down spies. A Glimmer of Hope In this hostile climate the Danish resistance discover a secret that could change the course of the war - proof of an advanced German radar installation that is causing catastrophic losses to Allied planes bringing the fight to Germany. A Dangerous Mission The resistance must get the information to the British and will have only one chance, using a near-derelict Hornet Moth bi-plane mouldering away in a church. If they succeed the balance of the war will be tipped in the Allies' favour but failure will see them killed. . .

From Marie Marquardt, the author of Dream Things True and The Radius of Us, comes a story of two teenagers learning what to hold on to, what to let go of, and that sometimes love gets in the way of our plans. Back when they were still strangers, TJ Carvalho witnessed the only moment in Vivi Flannigan's life when she lost control entirely. Now, TJ can't seem to erase that moment from his mind, no matter how hard he tries. Vivi doesn't remember any of it, but she's determined to leave it far behind. And she will. But when Vivi returns home from her first year away at college, her big plans and TJ's ambition to become a nurse land them both on the heart ward of a university hospital, facing them with a long and painful summer together—three months of glorified babysitting for Angel, the problem patient on the hall. Sure, Angel may be suffering from a life-threatening heart infection, but that doesn't make him any less of a pain. As it turns out, though, Angel Solis has a thing or two to teach them about all those big plans, and the incredible moments when love gets in their way. Written in alternating first person from the perspectives of all three characters, Flight Season is a story about discovering what's really worth holding onto, learning how to let go of the rest, and that one crazy summer that changes your life forever.
