Becoming a Leatherworker allows the player to craft medium armour pieces, inventory bags and runes. The armour created by Leatherworking can be worn by engineers, thieves and rangers. Similarly to the guides before it, this is more expensive than Cooking or Artificing. It's also possible to recoup some of the initial outlay of money from the weapons you craft, to then sell back to the vendor or to list/salvage on the Trading Post.

In this guide we take your Leatherworking level from 400 to the maximum of 500. If you haven't seen our original Leatherworking guide, you can find it here. The joy of leveling Leatherworking to 500 is the fact it's so simple based on the very limited combinations though it is sadly, very expensive. This guide is specifically aimed at completing the leveling process quickly and with all the materials, takes around 5 minutes.
