Life After Life: Winner of the Costa Novel Award Kindle ...

After purchasing the latest edition I can report that it has lost none of its original fascination and the accounts are just as valid and intriguing today as they were then. After all, these experiences do not change with age, the fact that this book is just as valuable in the information it delivers as a new book written today, shows that these NDE experiences must have some legitimacy.

The outside world finally caught up with Buckley in 1835, after John Batman, a bounty hunter from Van Diemen's Land, arrived in the area, seeking to acquire and control the perfect pastureland around the bay. What happened next saw the Wadawurrung betrayed and Buckley eventually broken. The theft of Kulin country would end in the birth of a city.
