Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th

Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, Like Dreamers is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Winner, Jewish Book Council's Everett Family foundation award, Jewish Book of the Year Winner, American Library Association's Sophie Brody Medal for Best Jewish Book of the Year Editors' Choice, New York Times Book Review In restoring Jewish sovereignty to the Holy City during 1967's Six-Day War, the paratroopers of Reserve Brigade 55 fulfilled a dream of two millennia, forever changing the history of Israel and of the Middle East. And, as veteran journalist Yossi Klein Halevi compellingly reveals in Like Dreamers, they served pivotal roles in shaping Israel's destiny long after their resounding military success. As he follows the lives of this Israeli band of brothers, and charts the ideological divides among them, he weaves an epic chronicle of modern Israel that humanizes the country's political and cultural dilemmas, and offers an unprecedented glimpse into its soul.

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son.

She left behind nearly everything she owned, but she didn't come empty-handed. *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own *Dreamers* becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel “Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history.”—The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today’s headlines.

A brilliantly observed memoir of an unprecedented and remarkable spiritual journey. While religion has fuelled the often violent conflict plaguing the Holy Land, Yossi Klein Halevi wondered whether it could be a source of unity as well. To find the answer, this religious Israeli Jew began a two-year exploration to discover a common language with his Christian and Muslim neighbours. He followed their holiday cycles, befriended Christian monastics and Islamic mystics, and joined them in prayer in monasteries and mosques in Israel, the West Bank, and Gaza. At the Entrance to the Garden of Eden traces that remarkable spiritual journey. Halevi candidly reveals how he fought to reconcile his own fears and anger as a Jew to relate to Christians and Muslims as fellow spiritual

seekers. He chronicles the difficulty of overcoming multiple obstacles?eological, political, historical, and psychological?at separate believers of the three monotheistic faiths. And he introduces a diverse range of people attempting to reconcile the dichotomous heart of this sacred place?struggle central to Israel, but which resonates for us all.

New York Times bestseller "A profound and original book, the work of a gifted thinker."--Daphne Merkin, *The Wall Street Journal*

Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of *Like Dreamers* directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. I call you "neighbor" because I don't know your name, or anything personal about you. Given our circumstances, "neighbor" might be too casual a word to describe our relationship. We are intruders into each other's dream, violators of each other's sense of home. We are incarnations of each other's worst historical nightmares. *Neighbors? Letters to My Palestinian Neighbor* is one Israeli's powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of "the enemy." In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. This is the first attempt by an Israeli author to directly address his Palestinian neighbors and describe how the conflict appears through Israeli eyes. Halevi untangles the ideological and emotional knot that has defined the conflict for nearly a century. In lyrical, evocative language, he unravels the complex strands of faith, pride, anger and anguish he feels as a Jew living in Israel, using history and personal experience as his guide. Halevi's letters speak not only to his

Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

From the New York Times bestselling author of *The Wonderful Things You Will Be* comes this companion to *Dream Animals* -- a celebration of the imagination of children dreaming both day and night! Emily Winfield Martin shows readers that letting their imaginations run free will lead them into fantastical day dreams. Whether cloud-gazing or wandering through a museum, reading a book or playing in a tide-pool, the children in this picture book find themselves in places inhabited by magical creatures such as dragons, unicorns, griffins, and jackalopes. A whimsical rhyme accompanies the dream-worthy illustrations.

An award-winning Israeli journalist recounts his youth as a Jewish activist in America and the Soviet Union, his devotion to the late rabbi Meir Kahane, and his eventual moderation and advocacy of Jewish-Gentile reconciliation.
