The tenth in Mark Billingham's TOM THORNE SERIES is another page-turning thriller that shows Thorne once again prepared to break the rules to get the result he knows is right. The problem is that the conspiracy element to the story never convinced me because it's so dependent on a contrived set of events that didn't ring true.

The sixth book in the Tom Thorne series, from bestselling author Mark Billingham. A MISSING BOY Teenager Luke Mullen was last seen getting into a car with an older woman. No one can understand why he has disappeared. His father - a former police officer - knows all too well that the longer he is missing, the more likely he is to turn up dead. A TERRIFYING VIDEO Then Luke's parents receive an anonymous video. It shows their son, eyes wide with terror, as a man advances towards him holding a syringe. A RACE AGAINST TIME DI Tom Thorne recognises a psychopath when he sees one. And the scene on the tape chills him to the bone - he knows that a child's life hangs in the balance, and that every minute counts... _____ Read what everyone's saying about the heart-racing Tom Thorne series: 'Literary superstar' Mail on Sunday 'Ingenious' Guardian 'Ground-breaking' Sunday Times 'Mark Billingham gets better and better' Michael Connelly 'A cracking read . . . I couldn't put it down!' Shari Lapena 'A damn fine storyteller' Karin Slaughter 'Twisted and twisty' Linwood Barclay 'One of the most consistently entertaining, insightful crime writers working today' Gillian Flynn 'The next superstar detective is already with us. Don't miss him' Lee Child

Two boys run into the woods—but only one returns—in this new mystery from the award-winning “first-rate British crime writer” (The Washington Post). In the summer of 1996, two boys run from a playground into the adjoining woods, but only one comes out. DS Tom Thorne takes on the case—which quickly spirals out of control when two people connected to the missing boy are murdered. As London prepares to host the European Soccer Championships, Thorne fights to keep on top of a baffling investigation while also dealing with the ugly fallout of his broken marriage . . . A prequel to Mark Billingham's acclaimed debut Sleepyhead?which the Sunday Times

voted one of the 100 books that shaped the decade?this chilling, compelling novel is the latest in “a series to savor” (Booklist). “With each of his books, Mark Billingham gets better and better. These are stories and characters you don’t want to leave.” ?Michael Connelly, author of the Harry Bosch series “Mark Billingham has brought a rare and welcome blend of humanity, dimension, and excitement to the genre.” ?George Pelecanos, bestselling author and Emmy-nominated writer

A murder-for-hire goes wrong in this thriller by “one of the most consistently entertaining, insightful crime writers working today” (Gillian Flynn). After Alan Langford’s charred remains were found in his burnt-out Jaguar, his abused, long-suffering wife, Donna, was found guilty of conspiracy to commit murder and sentenced to ten years at Wakefield Prison. It was worth the time. But shortly before her release, Donna receives a nasty shock: an anonymous letter containing a recent photo of her husband—the man she despised and feared, the man she paid to have killed, the man she’s now begging London inspector Tom Thorne to find. Even for a seasoned DI like Thorne, this is a first: tracking a man who’s come back from the dead. But when Donna’s daughter suddenly disappears, Thorne finds himself following two trails of revenge and double cross. And they’re both leading into the menacing shadow of a killer who wants the case buried for good. With his multiple award-winning series, “Mark Billingham has brought a rare and welcome blend of humanity, dimension, and excitement to the genre” (George Pelecanos). From the Dead is not only “a good crime story, but . . . [a] novel . . . about the complexities and pitfalls of love” (The Washington Post). “Engrossing . . . chillingly clever.” —Publishers Weekly “Mark Billingham is one of my favorite new writers.” —Harlan Coben “Tom Thorne is a wonderful creation. Rush to read these books.” —Karin Slaughter, New York Times–bestselling author

Available together for the first time at a special price, the classic, thrilling, groundbreaking books 2-4 in the iconic Tom Thorne series by No.1 Sunday Times bestseller Mark Billingham. '[Thorne] is one of the most compelling figures in contemporary crime fiction' DAILY MAIL 'Billingham is always a must-read' HARLAN COBEN ----- SCAREDY CAT A vicious killer follows his victim home and strangles her in front of her child. Across London a second body is discovered at the back of King's Cross station. And these grisly events eerily echoes the murder of two previous women, stabbed to death months before on the same day. DI Tom Thorne sees the link and comes to a horrifying conclusion: two killers are way more deadly than one . . . ----- LAZYBONES It's only ten days since Douglas Remfry's release from prison, having served seven years for rape, and now he's dead: naked on a bare mattress in a grubby north London hotel room. Someone knew he was coming out. Someone wanted to mete out some punishment of their own. And when a second sex offender is found dead, DI Tom Thorne knows he has a vicious vigilante on his hands . . . ----- THE BURNING GIRL X marks the spot - and when that spot is a corpse's naked back and the X is carved in blood, DI Tom Thorne is in no doubt that the dead man is the latest victim of a particularly vicious killer. But when an X is carved on Thorne's own front door, he knows the smouldering embers of this case are about to erupt into flames . . .

“A British police procedural as good as those produced by crime queens Elizabeth George and Ruth Rendell.” —USA Today His first three victims ended up dead. His fourth was not so fortunate . . . Alison Willetts is unlucky to be alive. She has survived a stroke, deliberately induced by a skillful manipulation of pressure points on the head and neck. She can see, hear, and feel and is aware of everything going on around her, but is completely unable to move or communicate. Her condition is called locked-in syndrome. In leaving Alison Willetts alive, the police believe the killer made his first mistake. Then DI Tom Thorne discovers the horrifying truth; it isn’t Alison who is the mistake, it’s the three women already dead. The killer is getting his kicks out of toying with Thorne as much as he is pursuing his sick fantasy, and as the detective zeroes in on a suspect, he finds himself pushed to his personal and professional limits . . . This is the “exceptional” first novel in the long-running series by an international bestselling author (George Pelecanos). “The best thriller debut of the year.” —Rocky Mountain News “A world-class crime writer.” —Karin Slaughter

Killing becomes a twisted team sport in this “smart, fast-paced procedural” from the award-winning author of Sleepyhead (Booklist). It was a vicious, calculated murder. The killer selected his victim at London’s Euston station, followed her home on the tube, strangled her to death in front of her child. At the same time, killed in the same way, a second body is discovered at the back of King’s Cross station. It is a grisly coincidence that eerily echoes the murders of two other women, stabbed to death months before on the same day. DI Tom Thorne sees the link and comes to a horrifying conclusion. This is not a serial killer that the police are up against—this is two of them. Finding the body used to be the worst part of the job, but not any more. Now each time a body is found, Thorne knows that somewhere out there is a second victim waiting to be discovered. But while the killers’ methods might be the same, their manner is strikingly different. Thorne comes to realize that he is hunting very different people—one ruthless and in control, the other submissive, compliant, terrified. Thorne must catch a man whose need to manipulate is as great as his need to kill. A man who will threaten those closest to Thorne himself and show him that the ability to inspire terror is the deadliest weapon of all . . . “One of the most consistently entertaining, insightful crime writers working today.” —Gillian Flynn, author of Gone Girl “Mark Billingham is one of my favorite new writers.” —Harlan Coben, bestselling author of Run Away

Luke Mullen, the missing teenage son of a former police officer, was last seen getting into a car with an older woman. No one knows whether he went willingly or was abducted, whether he's living or dead. Then the videotape arrives . . . On special assignment, Detective Inspector Tom Thorne is in charge of the investigation into Luke's disappearance. But it's the information that Tony Mullen, the boy's father, is not freely sharing that Thorne finds particularly disturbing—like the names of dangerous criminals who have openly threatened the tough ex-detective and his entire family. Something shocking and deadly may well be buried deep in old cases and past lives. But Thorne knows he doesn't have the luxury of time to dig—especially when a kidnapper brutally demonstrates that he is willing to kill.

A woman’s suicide puts a detective on the trail of a cold-hearted con artist: “Outstanding . . . a maximum of suspense” (Publishers Weekly, starred review). When DI Tom Thorne is called to the site of a suicide, he expects to be in and out in no time. But when he arrives at the Underground station where a woman named Philippa Goodwin threw herself in front of a train, he inexplicably senses something awry and feels compelled to dig deeper. He soon discovers that she was the victim of a callous con man who preys on vulnerable women—and whose deception plunged Philippa to her end. Thorne enlists DI Nicola Tanner to help him track down the swindler and bring him to justice. But the detective duo gets more than they bargained for when a young man’s bludgeoned body turns up on the shore of a nearby seaside town and the two cases come together in a way that neither of the detectives could have foreseen . . . “A fantastic thriller . . . a gripping plot and lead characters of remarkable depth. Billingham is a multiple-award winner, and his books have sold more than six million copies. Readers who grab this one but aren’t familiar with its predecessors will be seeking them out. A series to savor.” ?Booklist (starred review) “Billingham is a world-class writer and Tom Thorne is a wonderful creation.” ?Karin Slaughter, bestselling author of the Will Trent series

In this “chilling and moving” international bestseller, two of London’s toughest detectives investigate the savage world of honor killings (The Times, London). In Love Like Blood, DI Tom Thorne, “the next superstar detective,” teams up with perfectionist DI Nicola Tanner, the protagonist of Billingham’s acclaimed stand-alone thriller Die of Shame (Lee Child). When her domestic partner Susan is brutally murdered, Nicola Tanner is

convinced that she was the intended target. The murderer's motive is likely connected to her recent work on a string of cold case honor killings. Despite being placed on leave, Tanner insists on pursuing justice for Susan—and she turns to fellow DI Tom Thorne for help. Agreeing to take the case, Thorne quickly finds that working in such controversial territory among London's Hindu, Muslim, and Sikh communities can be dangerous in more ways than one. But when a young Bangladeshi couple goes missing, Tanner and Thorne must put everything on the line to investigate a case that is anything but cold. “Brilliant.” —The Independent “Groundbreaking . . . a gripping, unsensational take on a type of crime that is happening more frequently than many of us realize.” —The Sunday Times

Two British police detectives take on a case close to home: “One of the most consistently entertaining, insightful crime writers working today” (Gillian Flynn). One of Entertainment Weekly's “10 Great Summer Thrillers” Tom Thorne is on holiday with his girlfriend, DS Helen Weeks, when two girls are abducted in Helen's hometown in Warwickshire. When a body is discovered and a man is arrested, Helen recognizes the suspect's wife as an old school friend, and reluctantly returns home for the first time in twenty-five years to lend her support. As his partner faces up to a past she has tried desperately to forget and a media storm engulfs the town, Thorne becomes convinced that, despite overwhelming evidence of his guilt, the police have got the wrong man. There is still an extremely clever killer on the loose—and a missing girl who Thorne believes might still be alive . . . “Some ingenious forensic footwork. What is most impressive about the novel, however, is the astute observation of the beleaguered Bates family, who turn in on themselves as the inhabitants of the town turn on them.” —The Guardian
