and the quality of our supplements package.

Introduction to Business explains the most current business practices, providing an outstanding overview. This colorful, user-friendly textbook is regarded as the most comprehensive introductory high school business book on the market! Introduction to Business includes BusinessWeek seminars and feature stories, integrated technology, an introduction to personal finance, and a cutting-edge online simulation that gives students a powerful opportunity to practice their new skills. It also integrates science, math, language arts and social studies skills, and applies No Child Left Behind Act to course content.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

Since its inception, An Introduction to Business Ethics by Joseph Desjardins has been a cutting-edge resource for the business ethics course. Desjardins' unique multidisciplinary approach offers critical analysis and integrates the perspective of philosophy with management, law, economics, and public policy,

providing a clear, concise, yet reasonably comprehensive introductory survey of the ethical choices available to us in business.

Business Foundations: A Changing World carefully blends the right mix of content and applications to give students a firm grounding in business principles. Where other products have you sprinting through the semester to cover everything, Business Foundations: A Changing World allows breathing space to explore topics and incorporate additional activities to complement your teaching. Build from the ground up, Business Foundations: A Changing World is for faculty and students who value a briefer, flexible, and integrated resource that is exciting, happening, focused and applicable! What sets this learning program apart from the competition? An unrivaled, focused mixture of exciting content and resources blended with application examples, activities, and fresh topics that show students what is happening in the world of business today!
