Das bin ich: Micah Owens. Tätowierer im Damage Control. Keine Eltern oder Geschwister. Eine Vergangenheit, die mir immer noch Alpträume beschert. Und dann ist da noch sie: Evangeline, das Mädchen, das mein Leben gerettet hat und mich in meinen angenehmeren Träumen besucht. Nur weiß sie nicht, wer ich wirklich bin, und ihr das zu sagen, könnte sie schreiend davonrennen lassen. Sie verdient etwas Besseres als einen Versager wie mich. Sie ist hübsch. Sie ist clever. Sie ist gottverdammte sexy und hat ein Herz aus Gold. Deswegen kann ich es ihr nicht sagen. Ein Lächeln von ihr und ich würde alles tun, was ich kann, um sie zu meinem Mädchen zu machen – wie vorzugeben, jemand anderes zu sein. Jemand, der ihrer würdig ist. Ist Liebe nicht seltsam?

Yet her body doesn't seem to care about how she feels, and maybe, just maybe this time her body got it right. Not that she has much of a choice. Four years have passed since I left home, my parents, and my brother Asher behind - since I shut out my past. And Erin. Four years since I last saw her, since I heard her voice and held her in my arms. I've spent my time forging a path from woman to woman, from bed to bed, trying to find an answer. But I think I've lost my way. There's no light at the end of the dark. No big surprise. I carry the dark inside me. I'm a bastard - branded as such from the start. I never give my phone number and address. I take my pleasure, and don't come back for seconds. No commitments, no promises and no happy endings. Yeah, I'm a bastard down to the bone and I don't give a damn. But now I'm back in my birth town, the town I fled at eighteen - back to make amends to the brother I abandoned and watch from afar the only girl I've ever wanted. Hope isn't a currency I can afford. I learned that lesson long ago. Yet when she looks at me and says my name, I can't help but hope. Standalone novel. No cliffhanger. *A new adult contemporary sexy romance with suspense, bad boys and family secrets*

Joel and Jethro. Roommates. Total hunks. Inseparable friends. Hot. Meet my fantasy boyfriends. Aren't they just the cutest thing? I know, right? They totally are. They are hot, too hot for a quiet—and obsessed with them—girl working in a bookshop. That'd be me, by the way. There's also the tiny problem of Joel wanting another girl. And as for Jethro, well... he doesn't do relationships. So it's fine to crush on them. And write a serial story on my blog in which we do crazy things. All three of us. Together. Whew. I mean, it's okay. It's perfectly safe. They'll never even know I exist, much less find out about my blog and my secret fantasy about them. Right? Yeah, that's what I thought, too.

that, at least. So damn guilty I'm sure everyone knows and will call me out on it. Except they don't. Nobody does, except my brother. Not even Kayla, sexy and sweet and coolest girl ever, who keeps buying me coffee and trying to read my future. But my future isn't in the goddamn cards, or even in my hands. I don't see a future. I deny fate, but fate has me pinned like a moth and won't let me walk away. Won't let me escape. And yeah... you know you're losing grip when the girl you want reads your palm, and you're scared to hell of what she'll see and of the pain you can tell is coming. ****WARNING**** 18+ for sexual content, language, and violence. OCEAN is book 5 in the series Damage Control - a series set in the same world as Inked Brotherhood. The boys of Damage Control were taken in by Zane Madden and Rafe Vestri and offered apprenticeship and work in the tattoo shop Damage Control.

Meet SHANE, the newest of the Damage Control Boys, set in the world of the bestselling series Inked Brotherhood. This is New Adult Contemporary Romance. Once upon a time, my life was good. I had a family, I had a girlfriend, and hopes for the future. That was long ago, but I remember it. A hazy dream of what could have been. That's gone now. I lost it all. Life fucked me over, and now I'm scared of my own damn shadow. I'm training to be a tattoo artist, but I bet I'm not good enough. I have a roof over my head, but every morning I'm scared shitless that I'll find myself on the street again – or worse, back in prison. And every time a pretty girl looks at me, every single fucking time, I know I can't be with her. Not only because she'll find out I'm an ex-con and run the other way, no. It's more than that. I just can't. The thought of anyone touching me, the thought of getting aroused from that touch brings back every damn nightmare from my past to swallow me whole. Can't fucking do it. Not even if it's the prettiest girl on earth – Cassie. With her long blond hair and her pretty tits, her short skirts and high heels, she's all my fantasies rolled into one. See, the fact she kissed one of my buddies? That's good. The fact she looks at me like I'm a bug under her shoe? Even better. Because it means she's not interested in getting hot and sweaty with me, and that I can keep living that fantasy. The fantasy that she wants to be with me as much as I want to be with her – even though I know it will never happen. ****WARNING**** If you have issues reading about abuse (physical or mental), then please DO NOT read this book. 18+ for sexual content, language and violence.
