When I was researching MORTAL LOVE: AFTER THE FALL (now available free), I wondered what would happen to gasoline after, say, 30 years. Well, a quick Google search gave me a definitive answer. Gas will indeed oxidize (e.g., fancy term for "going bad") after 12 to 15 months. Here's a link to a brief article on the topic.

APHRODITE MYTHS 6 LOVES - Greek Mythology

Mortal Love was a Norwegian metal band from the city of Elverum, formed in 2000. Their sound made combined use of soprano and tenor vocals, whilst placing emphasis on a consistent rhythm section with heavy guitars, piano and synthesizer melodies. Their three released albums, which lyrically dealt with love and failed relationships, were composed as a trilogy, as can be observed by combining their titles – All the Beauty, I Have Lost, Forever Will Be Gone. The band released the final album ...
