Oil On Water, by Helon Habila, is a novel that takes in Nigeria where oil has become the main concern. The oil companies are buying up villages and destroying the environment. That’s when the militant group starts fighting back, and one of the ways they do so, is by kidnapping important people and family members of the oil company.

Excerpt: Oil on Water - Marketplace

As the toll of damage caused by the oil spill in the Gulf of Mexico continues to be assessed, Helon Habila’s latest novel, Oil on Water, is both timely and compelling.

Oil on Water by Helon Habila: review

Pollution of the Niger Delta waters and land through environmental degradation is only the most obvious kind that the novel depicts; what the author makes us realise is the human corruption of greed, irresponsibility and wanton violence that precedes the pollution of river waters and land – of which the oil-smudged natural scenery is merely the manifestation.

Abstract. Membrane filtration and absorption strategies based on superwetting surfaces for oil–water separation have regained tremendous attention due to their being low cost, highly efficient and environmentally friendly. Besides the usual superhydrophobic, superhydrophilic/underwater superoleophobic and dual superlyophobic surfaces, very novel and unprecedented surfaces with special extreme wetting behavior have been widely used in oil–water separation.

Designing novel superwetting surfaces for high-efficiency ...

Helon Habila’s new novel, Oil on Water is a confidently crafted and absorbing, in parts totally gripping, chronicle of human ambitions, tragedies and failures, but also of love, friendship and perseverance of the human spirit.

Oil on Water (by Helon Habila) - Africa Book Club

His second novel, Measuring Time, published in 2007, was nominated for the Hurston-Wright Legacy Award, the IMPAC Prize, and in 2008 won the Virginia Library Foundation Prize for fiction. His third novel, Oil on Water (2010), which deals with environmental pollution in the oil-rich Nigerian Delta, received generally positive review coverage.

Helon Habila - Wikipedia

Oil on Water by Helon Habila The book opens with two local journalists on a rather dangerous trip. Zaq, old-timer and cynic but still has the skills to seek out a good story and apprentice Rufus. A British oil engineer's wife has gone missing, believed kidnapped and the two journalists are following her trail.
