Over Here The First World

David M. Kennedy. Description. The Great War of 1914-1918 confronted the United States with one of the most wrenching crises in the nation's history. It also left a residue of disruption and disillusion that spawned an even more ruinous conflict scarcely a generation later. Over Here is the single-most comprehensive discussion of the impact of World War I on American society.

Over here : the First World War and American society ...
A broad, vigorous, cohesive interpretation, by a Stanford historian, of the effects of World War I on the US. First and perhaps foremost, the progressives' expectations crumbled: initially opposed to American involvement, they succumbed to ""the endemic progressive disposition to view events positively"" and sought to make the war an instrument for

...

Although the fighting was on the Western Front, World War I was lived Over Here. The American Experience in the Great War is the subject of David Kenney's "Over Here". America entered the War in April 1917 when Russia was in revolution, German solidarity was cracking, French armies were in mutiny, and Britain was in danger of starvation from unrestricted U-boat warfare.

More than a chronicle of the war years, Over Here uses the

Where To Download Over Here The First World War And American Society

record of America's experience in the Great War as a prism through which to view early twentieth century American society. The ways in which America mobilized for the war, chose to fight it, and then went about the business of enshrining it in memory all indicate important aspects of enduring American character.

Religious liberty in America and across the world. We desire for our government to live up to the First Amendment in our Constitution, which grants the blessing of religious liberty for all Americans. It is called upon to honor and preserve what God has given us – the freedom to worship God without harm or threat.
