Product support is an integral part of what Perkins does. In total, we support more than 4.5 million engine serial numbers – that ' s almost a quarter of the 21 million engines we have produced since 1932 – operating in a host of applications from tractors to hospitals and football stadiums to lighting towers.

## File Type PDF Perkins P3 Engine Parts

Parts and service | Perkins - Perkins Engines

Engines that went out of production prior to 1978 may have been retroactively assigned a family type to expedite parts support (this is the case with the Perkins 4.107). Some engines never entered production, such as the Perkins 4.224, but were assigned a family type.

List of Perkins engines - Wikipedia

Over the years Perkins has produced hundreds of different engines and each can have many different variants. So how do you know the exact specification of your engine? All the information you need about your engine is included in the serial number on your engine plate, which you can use to find the parts to fit on your engine.
