Polish Way A Thousand Year

It contains about a thousand years of detailed history written in a way that captivates the reader and makes the book hard to put down. I did notice a bit of a tendency to exaggerate Poland's importance in the scheme of European politics and history, but it was not overbearing and did not negate the many excellent qualities of the book.

100 Things Every Polish American Should Do

Dabrowski's masterful new survey of a thousand years of Polish history at once undercuts and reifies this perspective. The book is sensitive to the complexity of national identification, patiently reminding readers throughout the narrative that to be Polish in most periods was not tied to language or religion or even to what we think of as nationality, but rather to a sense of class and citizenship.
