Gems of literature in a luxurious and unique design by Marjolein Bastin. The Marjolein Bastin Classics Series is a chance to rediscover classic literature in collectible, luxuriously illustrated volumes. For the first time ever, the internationally celebrated artwork of Marjolein Bastin graces the pages of a timeless classic, Pride and Prejudice. Beyond bringing these stories to life, Bastin's series adds elaborately designed ephemera, such as four-color maps, letters, family trees, and sheet music. Whether an ideal gift for an Austen or Brontë devotee or a treat for yourself, The Marjolein Bastin Classics Series, as a set or individually purchased, is perfect for anyone who feels a connection to these enduring literary gems.

The New York Times best seller is now a major motion picture starring Lily James and Sam Riley, with Matt Smith, Charles Dance, and Lena Headey. This edition features sixteen pages of color stills from the film, a reading group discussion guide, and other bonus materials. Complete with romance, heartbreak, swordfights, cannibalism, and thousands of rotting corpses, Pride and Prejudice and Zombies is an audacious retelling of English literature's most enduring novel. This expanded edition of the beloved Jane Austen novel featuring all-new scenes of bone-crunching zombie mayhem begins when a mysterious plague falls upon the quiet English village of Meryton—and the dead are returning to life! Feisty heroine Elizabeth Bennet is determined to wipe out the zombie menace, but she's soon distracted by the arrival of the haughty and arrogant Mr. Darcy. What ensues is a delightful comedy of manners with plenty of civilized sparring between the two young lovers—and even more violent sparring on the blood-soaked battlefield. It's the perfect read for literature lovers, zombie fans, and anyone who loves a reanimated Austen.

The Norton Critical Edition of Pride and Prejudice has been revised to reflect the most current scholarly approaches to Austen's most widely read novel. The text is that of the 1813 first edition, accompanied by revised and expanded explanatory annotations. This Norton Critical Edition also includes: · Biographical portraits of Austen by members of her family and, new to the Fourth Edition, those by Jon Spence (Becoming Jane Austen) and Paula Byrne (The Real Jane Austen: A Life in Small Things). · Fourteen critical essays, eleven of them new to the Fourth Edition, reflecting the finest current scholarship. Contributors include Janet Todd, Andrew Elfenbein, Felicia Bonaparte, and Tiffany Potter, among others. · "Writers on Austen"—a new section of brief comments by Mark Twain, Virginia Woolf, Henry James, and others. · A Chronology and revised and expanded Selected Bibliography.

A sequel faithful to Jane Austen's beloved masterpiece, Pride and Prejudice. Elizabeth and Mr. Darcy have been married for almost a year, and their heated arguments are a thing of the past. All that passion is now directed into more satisfying pursuits. But how long can the honeymoon last? The couple's idyllic life together at Pemberley is jeopardized by the secrets they begin keeping from each other, the troubles of their closest friends, and the threat of a villain in their midst. Layers of seemingly innocent deception are building between Darcy and Elizabeth, threatening their relationship. He is conducting some covert business dealings that he's unwilling to share with his wife, and she likewise begins keeping things from him against her own better judgment. The couple also becomes embroiled in the tribulations of Mr. Darcy's younger sister, Georgiana, and his friend and cousin, Colonel Fitzwilliam. Fitzwilliam falls victim to their aunt, Lady Catherine de Bourgh, as the object of her latest scheme to make a noble match for her daughter. The arrangement satisfies the ambitions of the couple's parents, but appears to hold little prospect of happiness for Anne and Fitzwilliam, who each harbor other romantic interests. During this same period, Georgiana runs the gamut of emotions as she comes of age. Her elation at her birthday ball soon crumbles when she learns the man she secretly admires is engaged to another. The excitement of a London season and the attention of two other eligible suitors cannot make her forget her disappointment over her lost first love. As the story progresses, the menacing shadow of Mr. Darcy's life-long nemesis looms ever-larger. By carelessness and design, Mr. Wickham and Lydia painfully intrude into the lives of the Darcys and the Bingleys, with disastrous results. The Darcys of Pemberley is the tale of two romances: the continuation of Darcy and Elizabeth's story, and the courtship of Miss Georgiana. For those of us who didn't want Pride and Prejudice to end, this charming novel gives the opportunity to learn what happens after the wedding, to revisit all our old friends and foes, and to share the next chapter of their lives. Ms. Winslow carries on the saga much as Jane Austen herself might have - true to her style, her sensibilities, and the delightful characters she created.

An Austen scholar and therapist reveals Jane Austen's intuitive ability to imbue her characters with hallmarks of social intelligence—and how these beloved works of literature can further illuminate the mind-brain connection. Why is Jane Austen so phenomenally popular? Why do we read Pride and Prejudice again and again? Why do we delight in Emma's mischievous schemes? Why do we care that Anne Elliot of Persuasion suffers? We care because it is our biological destiny to be interested in people and their stories—the human brain is a social brain, and Austen's characters are so believable that, for many of us, they are not just imaginary beings, but friends whom we know and love. And thanks to Austen's ability to capture the breadth and depth of human psychology so thoroughly, we feel that she empathizes with us. Humans have a profound need for empathy, to know that we are not alone with our joys and sorrows. We see ourselves and others reflected in Austen's work. Social intelligence is one of the most highly developed human traits when compared with other animals. How did it evolve? Why is it so valuable? Wendy Jones explores the many facets of social intelligence and juxtaposes them with the Austen cannon. Brilliantly original and insightful, this fusion of psychology, neuroscience, and literature provides a heightened understanding of one of our most beloved cultural institutions—and our own minds.

Thoroughly innovative and occasionally irreverent, this book will appeal in equal measure to book historians, Austen fans, and scholars of literary celebrity.

The exquisite illustrations of Marjolein Bastin meet timeless text in this elegant special edition of an English masterpiece. The Marjolein Bastin Classics Seriesis a chance to rediscover classic literature in collectible, luxuriously illustrated volumes. For the first time ever, the internationally celebrated artwork of Marjolein Bastin graces the pages of the timeless classic, Emma, the story of the well-meaning matchmaker of Highbury village. Beyond bringing these stories to life, Bastin's series adds elaborately designed ephemera, such as letters, invitations, and more. Whether an ideal gift for an Austen or Brontë devotee or a treat for yourself, The Marjolein Bastin Classics Series, as a set or individually purchased, is perfect for anyone who feels a connection to these enduring literary gems.

Anne Elliot was once engaged to Captain Frederick Wentworth, but she broke off the engagement when a family friend persuaded her that it was an imprudent match. Several years later, Captain Wentworth returns from the Napoleonic Wars, but his seeming indifference towards Anne convinces her that it is too late to win him back. Meanwhile, the charming Mr. Elliot—Anne's cousin and her father's heir to Kellynch Hall—plots to marry her to ensure he remains the sole heir to the family estate. Will Captain Wentworth rediscover his feelings for Anne, or will she be forced to marry the scheming Mr. Elliot? English author Jane Austen wrote this novel of manners in 1816, one year before her death at the age of 41. This unabridged version of her last completed novel is taken from the 1818 copyright edition.

'Jane Austen practising' Virginia Woolf Three notebooks of Jane Austen's teenage writings survive. The earliest pieces probably date from 1786 or 1787, around the time that Jane, aged 11 or 12, and her older sister and collaborator Cassandra left school. By this point Austen was already an indiscriminate and precocious reader, devouring pulp fiction and classic literature alike; what she read, she soon began to imitate and parody. Unlike many teenage writings then and now, these are not secret or agonized confessions entrusted to a private journal and for the writer's eyes alone. Rather, they are stories to be shared and admired by a named audience of family and friends. Devices and themes which appear subtly in Austen's later fiction run riot openly and exuberantly across the teenage page. Drunkenness, brawling, sexual misdemeanour, theft, and even murder prevail.
