Although you may not know the term 'Rebus Puzzles,' chances are good that you have encountered them in your life at one stage or another. A Rebus Puzzle usually comes in the form of a small picture or pictogram (sometimes framed) which represents a word or phrase in a cryptic manner, in other words the image suggests or implies its meaning in words. When solving a Rebus Puzzle, you are required to find the meaning of the supplied picture. If you enjoy solving word games or word puzzles, the Rodgers Rebus Puzzle Book is guaranteed to stretch your mind. It also comes with the answers to the puzzles inside the book.

A rebus puzzle uses a combination of letters, words, pictures, symbols, numbers etc to represent a common phrase or saying. Your job as the puzzle solver is to work out what the puzzle is trying to say. Here's an example: THODEFUGHT the word DEEP in the middle of the letters and the remaining letters spell out the word THOUGHT. So, the answer to this puzzle is 'deep in thought'. Talking of 'deep in thought', rebus puzzles are brilliant for cognitive development. Cognitive development refers to how we think and attempt to understand the world around us, it refers to how we learn, develop and, apply knowledge; including how we acquire, comprehend and use language. Rebus puzzles help with all these aspects of brain development at any age! Additional learning opportunities for kids! The first part of the book includes 52 rebus puzzles (four on each page). The second part of the book is where you will find the answers. The answer pages offer lots of additional opportunities for children to consolidate and build upon their learning. Encourage children to explain how they were able to solve the puzzle. With a rebus puzzle it is possible to get the right answer but not fully understand what the answer means. For example, a child may be unsure as to what a particular phrase means. This is a great teaching opportunity for you and a great learning opportunity for them. Satisfy your inner puzzler! The final part of the book includes blank boxes where any other rebus puzzles you come across can be jotted down. Better still, these blank boxes can be used to record any rebus puzzles you create yourself. Thank You!
