made him a bona fide star. And Mia herself has become a top-rate cellist, playing in some of the finest venues in the world. When their respective paths put them both in New York City at the same time, the result is a single night in which the two reunite - with wholly satisfying results. And don't miss Gayle's newest novel, JUST ONE DAY and the forthcoming companion, JUST ONE YEAR.

"Gillian Flynn is the real deal, a sharp, acerbic, and compelling storyteller with a knack for the macabre."

□ Stephen King This exclusive ebook collection brings together the three novels from bestselling author Gillian Flynn. A #1 New York Times bestseller, *Gone Girl* is an unputdownable masterpiece about a marriage gone terribly, terribly wrong.

The Chicago Tribune proclaimed that Flynn's work "draws you in and keeps you reading with the force of a pure but nasty addiction." Gone Girl's toxic mix of sharp-edged wit and deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. Flynn's second novel, Dark Places, is an intricately orchestrated thriller that ravages a family's past to unearth the truth behind a horrifying crime. A New York Times bestseller and Weekend Today Top Summer Read, Dark Places solidified Flynn's status as one of the most critically acclaimed suspense writers of our time. In Sharp Objects, Flynn's debut novel, a young journalist returns home to cover a dark assignment—and to face her own damaged family history. With its taut, crafted writing, Sharp Objects is addictive, haunting, and unforgettable.

Love is all you need... or is it? Penny's about to find out in this wonderful debut. Penny is sick of boys and sick of dating. So she vows: no more. It's a personal choice. . .and, of course, soon everyone wants to know about it. And a few other girls are inspired. A movement is born: The Lonely Hearts Club (named after the band from Sgt. Pepper). Penny is suddenly known for her nondating ways . . . which is too bad, because there's this certain boy she can't help but like. . . .

It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis

Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

taking care of her husband and twins, she doesn't even realize she's had a heart attack. Surprised to discover that her recuperation seems to be an imposition on those who rely on her, Maribeth does the unthinkable: she packs a bag and leaves. But, as is often the case, once we get where we're going we see our lives from a different perspective. Far from the demands of family and career and with the help of liberating new friendships, Maribeth is able to own up to secrets she has been keeping from herself and those she loves. With bighearted characters--husbands, wives, friends, and lovers--who stumble and trip, grow and forgive, *Leave Me* is about facing the fears we're all running from. Gayle Forman is a dazzling observer of human nature. She has written an irresistible novel that confronts the ambivalence of

modern motherhood head on and asks, what happens when a grown woman runs away from home?

Imaginary friend Budo narrates this heartwarming story of love, loyalty, and the power of the imagination—the perfect read for anyone who has ever had a friend . . . real or otherwise Budo is lucky as imaginary friends go. He's been alive for more than five years, which is positively ancient in the world of imaginary friends. But Budo feels his age, and thinks constantly of the day when eight-year-old Max Delaney will stop believing in him. When that happens, Budo will disappear. Max is different from other children. Some people say that he has Asperger's Syndrome, but most just say he's "on the spectrum." None of this matters to Budo, who loves

Max and is charged with protecting him from the class bully, from awkward situations in the cafeteria, and even in the bathroom stalls. But he can't protect Max from Mrs. Patterson, the woman who works with Max in the Learning Center and who believes that she alone is qualified to care for this young boy. When Mrs. Patterson does the unthinkable and kidnaps Max, it is up to Budo and a team of imaginary friends to save him—and Budo must ultimately decide which is more important: Max's happiness or Budo's very existence. Narrated by Budo, a character with a unique ability to have a foot in many worlds—imaginary, real, child, and adult—Memoirs of an Imaginary Friend touches on the truths of life, love, and friendship as it races to a heartwarming . . . and heartbreaking conclusion.
