Silver on the Tree is the final and most ambitious of The Dark is Rising series. While each of the series is written to stand alone, readers won't get the full story without reading the other, excellent, books first. Being the culmination of a larger story Silver on the Tree is also the most adult of the YA series. It's like the final year of high school where many of your interests are still self-centered, but you can no longer ignore the larger tumult of the world, and your place in it.

Overview. The Dark is rising in its last and greatest bid to control the world. And Will Stanton - last-born of the immortal Old Ones, dedicated to keeping the world free - must join forces with this ageless master Merriman and Bran, the Welsh boy whose destiny ties him to the Light. Drawn in with them are the three Drew children, who are mortal, but have their own vital part in the story.

In Silver on the Tree, Will travels with Bran to the Lost Land to recover the crystal sword Eirias, and helps to vanquish the Dark. Will is the only Old One to remain on Earth afterward, and the only one of the Light's allies who remembers the struggle against the Dark; in this, he is referred to as "the watchman", staying behind to keep watch for any attempt by the Dark to return.

Through the eons-long struggle, both sides gain and lose ground at various times, but neither can be completely defeated until the last great conflict, which occurs at the end of the fifth book, Silver on the Tree. The Dark is hard and ruthless, showing no mercy even to its own, and often after defeating an

The same could also be said for Maggie Barnes in *The Dark Is Rising*, Mrs. Rowlands in *Silver on the Tree*, and Mrs. Palk also in *Over Sea, Under Stone*. Even the Black Rider has his moments. For all her use of mythic archetypes, *Colour-Coded for Your Convenience*, and *Card Carrying Villains*, Susan Cooper loves this trope.

It is a medium-sized deciduous tree, growing to heights of up to 15-30 m (49-98 ft) (rarely more), with a trunk up to 2 m (6.6 ft) in diameter and a broad, rounded crown. The bark is smooth and greenish-white to greyish-white with characteristic diamond-shaped dark marks on young trees, becoming blackish and fissured at the base of old trees.
