Spinal Cord Reflex Act 8765 - payment.websensemalaysia.com
Summary. The spinal cord is part of the central nervous system and coordinates motor, sensory, and reflex signals. Anatomically, the spinal cord is located within the spinal canal and extends from the bottom of the medulla (at the first cervical vertebra C1) to the conus medullaris (between L1 and L2). Blood is supplied to the spinal cord from the branches of the vertebral artery and drains ...
