There are heaps of
threads on the
subject, but from my
point of view no
advanatge in

File Type PDF Subaru Forester

My 96 Manual. I have
MY06 XS manual. I
use 95 regularly and
occassional 98. The
reason for the use is
that I find that engine
is less responsive off
the line using 91.
Maybe psychological
but I find the engine
just runs and feels
better. Save Share.
