The Argonauts were a band of heroes united in the common cause of taking the Golden Fleece from Colchis. This was a group of some of the most legendary heroes of all of Greek mythology, one of the few times in the myths where a group of heroes team up to accomplish a goal.

An intrepid voyage out to the frontiers of the latest thinking about love, language, and family Maggie Nelson's *The Argonauts* is a genre-bending memoir, a work of "autotheory" offering fresh, fierce, and timely thinking about desire, identity, and the limitations and possibilities of love and language. At its center is a romance: the story of the author's relationship with the artist Harry Dodge. This story, which includes Nelson's account of falling in love with Dodge, who is fluidly gendered, as well as her journey to and through a pregnancy, offers a firsthand account of the complexities and joys of (queer) family-making. Writing in the spirit of public intellectuals such as Susan Sontag and Roland Barthes, Nelson binds her personal experience to a rigorous exploration of what iconic theorists have said about sexuality, gender, and the vexed institutions of marriage and child-rearing. Nelson's insistence on radical individual freedom and the value of caretaking becomes the rallying cry of this thoughtful, unabashed, uncompromising book.

Winner, 2016 National Book Critics Circle Award for Criticism Maggie Nelson's *The Argonauts* is a genre-bending memoir, a work of 'autotheory' offering fresh, fierce and timely thinking about desire, identity and the limitations and possibilities of love and language. At its centre is a romance: the story of the author's relationship with the artist Harry Dodge. This story, which includes the author's account of falling in love with Dodge, who is fluidly gendered, as well as her journey to and through a pregnancy, is an intimate portrayal of the complexities and joys of (queer) family making. Writing in the spirit of public intellectuals such as Susan Sontag and Roland Barthes, Nelson binds her personal experience to a rigorous exploration of what iconic theorists have said about sexuality, gender, and the vexed institutions of marriage and child-rearing. Nelson's insistence on radical individual freedom and the value of caretaking becomes the rallying cry for this thoughtful, unabashed, uncompromising book. Maggie Nelson is a poet, a critic, and the author of several nonfiction books, including *The Red Parts*, *The Art of Cruelty: A Reckoning*, *Bluets*, and *Jane: A Murder*. She teaches in the School of Critical Studies at CalArts and lives in Los Angeles, California. 'A superb exploration of the risk and the excitement of change...An exceptional portrait both of a romantic partnership and of the collaboration between Nelson's mind and heart.' *New Yorker* 'Maggie Nelson slays entrenched notions of gender, marriage and sexuality with lyricism, intellectual brass and soul-ringing honesty.' *Vanity Fair* 'A magnificent achievement of thought, care and art.' *Los Angeles Times* 'Nelson's writing is fluid—to read her story is to drift dreamily among her thoughts...She masterfully analyzes the way we talk about sex and gender.' *Huffington Post* 'One of the most intelligent, generous and moving books of the year.' *STARRED* review *Publishers Weekly* 'A book that will challenge readers as much as the author has challenged herself.' *STARRED* review *Kirkus Reviews* 'So much writing about motherhood makes the world seem smaller after the child arrives, more circumscribed, as if in tacit fealty to the larger cultural assumptions about moms and domesticity; Nelson's book does the opposite.' *New York Times Book Review* 'A thought-provoking and fascinating read.' *Otago Daily Times* 'A wonderful genre-disregarding beast...Nelson has created a work that lets the reader into the intimate world of her love partnership and family, as well as engaging the intellect.' *Readings* 'I thought about copying down whole passages...Nelson's writing about gender is pretty wonderful. The reflexivity and circularity of her work resists over-simplifications.' *Lifted Brow* 'A song of praise for everyday, ordinary suburban life and simple pleasures.' *Herald Sun* 'An extraordinary record of a life that could only have been written in the early 21st century...[Nelson]

is thoughtful, provoking and concise. ' Stuff NZ ' Remarkable...Nelson has succeeded in combining self-expression and thinking through in a way that is as fundamental as it is compelling. ' Age/Sydney Morning Herald ' Nelson is an electrifying writer, and The Argonauts is an intensely personal, fiercely intelligent reflection on marriage, motherhood, desire and family. ' Best Non-Fiction Books of 2016, Readings ' I found Maggie Nelson ' s The Argonauts electrifying: a book that invites creative engagement on a level I ' ve not encountered in a long time. ' Favourite Feminist Reads of 2016, Feminist Writers Festival ' Nelson ' s language teeters artfully on the edge of the sayable. ' Sydney Morning Herald ' If the teen years are for experimentation, the twenties are a time for reflection...It ' s the kind of book that makes a chaotic, unstable life feel a little more normal. ' Business Insider ' Folding queer history and the path of rainbow families into a joyous celebration of language and intellectual thought, it ' s the perfect antidote to Trump. ' SBS

A groundbreaking memoir that offers fresh and fierce reflections on motherhood, desire, gender, identity and feminism. At the centre of The Argonauts is the love story between Maggie Nelson and the artist Harry Dodge, who is fluidly gendered. As Nelson undergoes the transformations of pregnancy, she explores the challenges and complexities of mothering and queer family making. Writing in the tradition of public intellectuals like Susan Sontag, Nelson uses arresting prose even as she questions the limits of language. The Argonauts is an intrepid voyage out to the frontiers of love, language, and family.

This revelatory exploration of Book One of the Argonautica rescues Jason from his status as the ineffectual hero of Apollonius' epic poem. James J. Clauss argues that by posing the question, "Who is the best of the Argonauts?" Apollonius redefines the epic hero and creates, in Jason, a man more realistic and less awesome than his Homeric predecessors, one who is vulnerable, dependent on the help of others, even morally questionable, yet ultimately successful. In bringing Apollonius' "curious and demanding poem" to life, Clauss illuminates two features of the poet's narrative style: his ubiquitous allusions to the poetry of others, especially Homer, and the carefully balanced structural organization of his episodes. The poet's subtextual interplay is explored, as is his propensity for underscoring the manipulation of the poetry of others through ring composition. This title is part of UC Press's Voices Revived program, which commemorates University of California Press ' s mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1993.

King Pelias insisted, so they drove the tautly fitted Argo up through the narrows of the Pontic Sea and past the Cobalt Clashing Rocks to win the golden fleece. Now in a riveting verse translation, Jason and the Argonauts (also known as the Argonautica) is the only surviving full account of Jason's voyage on the Argo in quest of the golden fleece with the aid of the sorceress-princess Medea. Written in Alexandria in the third century BCE, Apollonius' strikingly modern telling of a classic myth is an exemplary product of an emerging multicultural metropolis. Though Apollonius used the manner and matter of Homeric epics, he wrote from a personal viewpoint, critically observing one of the most beloved heroes of Greek mythology. In its combination of the fantastical and the real, the Argonautica is truly without exact parallel in classical or contemporary Greek literature and provides an experience close to magical. Translated by Aaron Pochigian
Introduction and Notes by Benjamin Acosta-Hughes

A beautifully illustrated account of the Greek myth of Jason and the Argonauts with informative details from the award-winning author of Electric Ben. The story of Jason and the Argonauts is one of the earliest recorded Greek myths. Here, master artist Robert Byrd has created a striking telling of the legend for a new generation of readers. Complete with explanatory notes and illustrated back matter, Jason and the Argonauts traces each step of our hero's journey, from the Golden Fleece's origin story and Jason's childhood to his triumphant return with the prize and eventual death. Deftly designed to accommodate glorious large pictures and captioned insets, the book is not only a great story, but a wealth of information about ancient Greece.

Extends geographer's pioneering research into the dynamics of competition in Silicon Valley. This book brings a fresh perspective to the way that technology entrepreneurs build regional advantage in order to compete in global markets. It is useful for scholars, policymakers and business leaders.

"The Argonautica" by Rhodius Apollonius (translated by R. C. Seaton). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten - or yet undiscovered gems - of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The story of Jason and the Argonauts is one of the most famous in Greek myth, and its development from the oldest layers of Greek mythology down to the modern age encapsulates the dramatic changes in faith, power and culture that Western civilization has seen over the past three millennia. From the Bronze Age to the Classical Age, from the medieval world to today, the Jason story has been told and retold with new stories, details and meanings. This book explores the epic history of a colorful myth and probes the most ancient origins of the quest for the Golden Fleece—a quest that takes us to the very dawn of Greek religion and its close relationship with Near Eastern peoples and cultures.

The voyage of Jason and the Argonauts and their hunt for the Golden Fleece is one of the most enduringly popular of all of the Ancient Greek heroic myths. Accepting the quest in order to regain his kingdom, Jason assembled a legendary crew including many of Greece's greatest heroes such as Hercules, Orpheus, Atalanta, Telamon, and the twins Castor and Pollux. With this band of heroes and demi-gods, Jason set sail in the Argo on a journey across the known world. During their quest, the Argonauts faced numerous challenges including the harpies, the clashing rocks, the Sirens, Talos the bronze man, the sleepless dragon that guarded the fleece, and of course the fickle will of the gods of Olympus. Dr. Neil Smith retells this classic myth, examining its origins, its history, and its continued popularity. The text is supported by numerous illustrations both classical and modern, including numerous artwork plates especially commissioned for this work.
