An innocent man is about to be executed. Only a guilty man can save him. For every innocent man sent to prison, there is a guilty one left on the outside. He doesn't understand how the police and prosecutors got the wrong man, and he certainly doesn't care.

The research, orchestration and writing of this story is, always with John Grisham, pure genius! The execution of such an obviously innocent young man is sorely frightening, as was the method of extracting his wrongful confession by the police. The story will stay with me for a long time and I could not put the book down until I had finished it.
