8th Dismas Hardy novel. Lt. Abe Glitsky and defense attorney Dismas Hardy are back—on opposite ends of a medical malpractice suit...and possible murder case. When the head of San Francisco's largest HMO dies in his own hospital, no one doubts it is anything but the result of massive injuries inflicted by a random hit-and-run car accident. But the autopsy soon tells a different story—an overdose of potassium killed him, and the attending physician Eric Kensing becomes the prime suspect ...

When HMO executive Tim Markham is hit by a car during a morning jog through his exclusive San Francisco neighborhood, he has the bad luck to be transported to one of his own hospitals . . . and winds up dead in his ICU bed. But in spite of the rumors about his company's substandard care, this death appears to be a case of malice, not of malpractice—especially after Markham's entire family is gunned down in their home. Lt. Abe Glitsky has strong suspicions about a doctor with opportunity, means, and motives to spare. But working up a case against Eric Kensing might not be easy, especially when Glitsky has to rely on two bumbling rookies to gather the evidence. When defense attorney Dismas Hardy takes Kensing on as a client, both Glitsky and Hardy have to worry not only about losing the case, but about losing a best friend as well. And as the investigation leads to something bigger than they expected, they may both be in danger of losing their lives as well. . . .

San Francisco Defense Attorney Dismas Hardy becomes personally involved in a murder investigation when his wife is called as a witness in a murder trial--and jailed for contempt for protecting another man's secret. Reprint.

The death of his boss sparks a worried Dr Eric Kensing to enlist the help of lawyer Dismas Hardy. He is right to be worried... Hardy defends yet another questionable client in *The Oath*, the eighth fantastic crime thriller in John Lescroart's Dismas Hardy series. Perfect for fans of Michael Connelly and Lee Child. 'Gripping, timely and extremely satisfying... a stellar novel that has broad appeal' - Booklist
Doctor Eric Kensing is living in fear that he is about to be indicted for the death of a patient. That patient was his boss, Tim Markham. But Kensing and Markham aren't just connected by work - Kensing's wife is one of Markham's many lovers. It's not looking good for Kensing, so he enlists the help of lawyer Dismas Hardy. Some say Kensing is not worth saving, although others say that Kensing is a special doctor, prepared to do anything to save a patient's life, even defying proper medical procedure. Despite all the damning evidence, Hardy becomes increasingly sure that Kensing is innocent. Against mounting pressure for an arrest, Hardy knows that the only way to save Kensing is to find the real murderer. And like Kensing, he seems to be working within a system that is set up to thwart him and any attempt at real justice... What readers are saying about *The Oath*: 'Lescroart keeps the reader guessing until the last page' 'I don't like to put it down and can't wait to pick it up and read at night' 'The Oath stands far ahead of the rest for its twisting plot, fleshed out characters, lightning fast pace and surprises along the way'

Dismas Hardy becomes involved in a case involving the teenage son of a prominent San Francisco family who has been arrested for the murders of his girlfriend and English teacher, while an unseen killer terrorizes the city.

He is obsessed with her innocence. He will be destroyed by her guilt. The walls were champagne. The house was immaculate. A prosperous doctor lived there with his son and his beautiful wife. But the elegant walls hid a family's secret, a wife's shame. And one day shots rang out in the doctor's house. Suddenly Jennifer Witt was in jail, facing the death penalty. Jennifer insisted that she had not killed her abusive husband -- and she could never have killed her own son. Dismas Hardy believed her. But Hardy was only part of the defense team, and the only lawyer who continued to believe her...even as her story was torn to pieces, even as her lies came out, even as she was found guilty of murder. Now there's only one thing Jennifer can do to save her life...and she refuses to do it. So Hardy must do it for her. And in a shocking case of violence, betrayal, and lies, his only weapon is the truth... The 13th Juror...When innocence is not enough.

With their park view and old-fashioned detail, the Victorian houses on San Francisco's Steiner Street were highly valuable. But with their wooden construction, they were also highly vulnerable. So when Paul Hanover's multimillion-dollar home went up in flames, it was all over very quickly. And when the bodies of Hanover and his girlfriend were found in the charred debris, it appeared that the end came even more quickly for them--judging from the bullet holes in their heads. But this isn't just any double homicide. Hanover was a friend-and donor-to the mayor, who wants answers. And in trying to provide them, Abe Glitsky and Dismas Hardy will face an old lover and an old enemy--and follow a trail of evidence that stretches far beyond their usual jurisdiction.

This Dismas Hardy thriller is "a compelling combination of courtroom drama and whodunit...Sparked with crackling dialogue and vivid scenes of its San Francisco setting."--Richmond Times-Dispatch When the bullet-ridden body of a Silicon Valley billionaire washes up on shore, assistant D.A. Dismas Hardy finds himself the prosecutor in San Francisco's murder trial of the century. The suspect: a Japanese call girl with a long list of prominent clients. But when a bizarre series of events blows the case wide open, Hardy finds himself on the other side of the law--as a lawyer for the defense...

In this thrilling novel from the acclaimed Dismas Hardy series, Hardy's friend and client finds himself the prime suspect in a homicide investigation. While Dismas Hardy has built a solid legal practice and a happy family, his friend John Holiday, a proprietor of a rundown local bar, has not followed the same

Acces PDF The Oath Dismas Hardy 8 John Lescroart

path. Despite this, Hardy has remained Holiday's attorney and confidant, and when Holiday is suspected of murder, Hardy and Glitsky find ample reason to question Holiday's guilt. But Hardy's case falls on hostile ears, and to avoid arrest, Holiday turns fugitive. The police now believe three things: that Hardy is a liar protecting Holiday, that Holiday is a cold-blooded killer, and that Glitsky is a bad cop on the wrong side of the law. As the suspense reaches fever pitch, Hardy, Glitsky, and even their families may be caught in the crossfire and directly threatened—and this time, the police won't be on their side.

The widow of a major player in the world of San Francisco nonprofits believes that his alleged mistress killed him—and she's putting up fifty grand to whoever helps prove it. Wyatt Hunt and his investigation firm want in on that action—no matter where it takes them...

When the boss of ex-cop Dismas Hardy begins an investigation into the alleged suicide of his brother-in-law, also a friend of Hardy, Hardy steps in to help and becomes privy to the lives of the victim's family.
