In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon’s breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn’t succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In The Richest Man Who Ever Lived, Scott reveals Solomon’s key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon’s insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, The Richest Man Who Ever Lived weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

“A colorful introduction to one of the most influential businessmen in history” (The New York Times Book Review), Jacob Fugger—the Renaissance banker “who wrote the playbook for everyone who keeps score with money” (Bryan Burrough, author of Days of Rage). In the days when Columbus sailed the ocean and Da Vinci painted the Mona Lisa, a German banker named Jacob Fugger became the richest man in history. Fugger lived in Germany at the turn of the sixteenth century, the grandson of a peasant. By the time he died, his fortune amounted to nearly two percent of European GDP. In an era when kings had unlimited power, Fugger dared to stare down heads of state and ask them to pay back their loans—with interest. It was this coolness and self-assurance, along with his inexhaustible ambition, that made him not only the richest man ever, but a force of history as well. Before Fugger came along it was illegal under church law to charge interest on loans, but he got the Pope to change that. He also helped trigger the Reformation and likely funded Magellan’s circumnavigation of the globe. His creation of a news service gave him an information edge over his rivals and customers and earned Fugger a footnote in the history of journalism. And he took Austria’s Habsburg family from being second-tier sovereigns to rulers of the first empire where the sun never set. “Enjoyable...readable and fast-paced” (The Wall Street Journal), The Richest Man Who Ever Lived is more than a tale about the most influential businessman of all time. It is a story about palace intrigue, knights in battle, family tragedy and triumph, and a violent clash between the one percent and everybody else. “The tale of Fugger’s aspiration, ruthlessness, and greed is riveting” (The Economist).

"The life and times of the wealthiest man who ever lived--Jacob Fugger--the Renaissance banker who revolutionized the art of making money and established the radical idea of pursuing wealth for its own sake. Jacob Fugger lived in Germany at the turn of the sixteenth century, the grandson of a peasant. By the time he died, his fortune amounted to nearly two percent of European GDP. Not even John D. Rockefeller had that kind of wealth. Most people become rich by spotting opportunities, pioneering new technologies, or besting opponents in negotiations. Fugger did all that, but he had an extra quality that allowed him to rise even higher: nerve. In an era when kings had unlimited power, Fugger had the nerve to stare down heads of state and ask them to pay back their loans--with interest. It was this coolness and self-assurance, along with his inexhaustible ambition, that made him not only the richest man ever, but a force of history as well. Before Fugger came along it was illegal under church law to charge interest on loans, but he got the Pope to change that. He also helped trigger the Reformation and likely funded Magellan's circumnavigation of the globe. His creation of a news service, which gave him an information edge over his rivals and customers, earned Fugger a footnote in the history of journalism. And he took Austria's Habsburg family from being second-tier sovereigns to rulers of the first empire where the sun never set. The ultimate untold story, The Richest Man Who Ever Lived is more than a tale about the richest and most influential businessman of all time. It is a story about palace intrigue, knights in battle, family tragedy and triumph, and a violent clash between the 1 percent and everybody else. To understand our financial system and how we got it, it pays to understand Jacob Fugger!"--

Carefully Researched, This Powerful Teaching Unlocks Solomon's 31 Secrets of Success. 9 Success Keys For Negotiation / 10 Qualities of Uncommon Achievers / 7 Keys In Getting Along With Others. The Richest Man in Babylon is considered as the greatest of all inspirational works on the subject of thrift, financial planning, and personal wealth. Revealed inside are the secrets to acquiring money, keeping money, and making money earn more money. Providing financial wisdom through parables, 'The Richest Man in Babylon' was originally a set of pamphlets, written by the author and distributed by banks and insurance companies. These pamphlets were later bundled together, giving birth to a book. In this new rendering by Charles Conrad, the classic tale is retold in clear, simple language for today's readers. These fascinating and informative stories set you on a sure path to prosperity and its accompanying joys.

The Richest Man in the Babylon. This book deals with the personal success of each of us. Success means results coming from our efforts and ability. A good preparation is the key to our success. So keep a part of what you earn with yourself. From the benefits of saving to the essentials of getting rich, this

collection of educative Babylonian fables gives you timeless information on how to make money. It guides to getting rich, attracting good fortune and the five golden rules. As a guide to understanding hydro-wealth and a powerhouse has been inspiring readers for generations. You know that Babylon became the richest city of the ancient civilization because it had reserved part of its earnings for the future. That's why citizens got everything they wanted. How can you always keep your wallet heavy, the author has taught very beautifully on this topic.

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

The co-authors of The Mormon Murders explore the murder trial of multimillionaire Cullen Davis, who killed two people at the Fort Worth mansion and used his power and wealth to protect himself from murder charges. Reprint.
