(PDF) Book Review - Understanding Construction Law

Construction is a risky high-stakes business. Construction disputes often result from misunderstandings over insurance coverage. Contractors' commercial insurance policies are drafted with a short, broad statement of coverage that is then limited by a lengthy series of definitions, exclusions, exceptions to exclusions and supplemental endorsements.

Construction Contracts Seminars & Training

Indemnity Clauses in Construction Contracts ... Sometimes mutual indemnification is needed, but a good understanding and precise scope of responsibility need to be drafted so legal counselors can address the situation. At that point, you'll need to learn how to write a letter of indemnity.

Indemnity Clauses in Construction Contracts

Understanding and Negotiating Construction Contracts is a practical, no-legalese reference to help you identify and evaluate risky terms and conditions, then negotiate to lower or eliminate the risk, improve terms of payment, and reduce exposure to claims and disputes. Construction is a complex business. Each project has its own unique physical and commercial considerations.
